DELAWARE HEALTH AND SOCIAL SERVICES  
Division of Medicaid & Medical Assistance

Highmark Health Options is an independent licensee of the Blue Cross Blue Shield Association, an association of independent Blue Cross Blue Shield Plans.

Highmark Health Options is a managed care organization serving people who qualify for Medicaid. We help each of our more than 154,000 members get the care and services they need to live healthier and more independent lives, and we collaborate with providers and regulators to improve health outcomes, simplify the health care experience, and ensure affordability. Medicaid covers 1 in 5 Americans as a state-run health insurance program. Highmark Health Options members include individuals and families with low income or complex needs, expecting mothers, children, and people with disabilities.

### For Help in Your Language

Highmark Health Options provides free aids and services to people with disabilities to communicate effectively with us, such as:

- Qualified sign language interpreters.
- Written information in other formats (large print, Braille, audio, accessible electronic formats, other formats).

Free language services to people whose primary language is not English, such as:

- Qualified interpreters.
- Information written in other languages.

**ATTENTION:** If you speak English, language assistance services, free of charge, are available to you. Call the number on the back of your ID card (TTY: 711).

**ATENCIÓN:** Si usted habla español, se encuentran disponibles servicios de asistencia con el idioma sin costo alguno para usted. Llame al número que figura al dorso de su tarjeta de identificación (TTY: 711).

**ATANSYON:** Si w pale kreyòl ayisyen, gen sèvis èd pou lang ki disponib gratis pou ou. Rele nimewo ki sou do kat idantifikasyon w lan (TTY: 711).

# Hi. We're glad you're here.

Thank you for choosing **Highmark Health Options**. Look to us for Medicaid coverage and managed care—plus so much more, even when you're not sick. Our coverage goes beyond the basics so you can live your best life.

The basics include care for your physical and mental well-being, including prescription drug coverage—all from the doctors, hospitals, and pharmacies you need.

Some of the benefits that Highmark Health Options covers are “extra” benefits. This means they are not the standard benefits that all Medicaid plans cover.

With extra benefits from Highmark Health Options, you can:

## **Have adult coverage for vision and hearing:**

Adults have coverage for glasses or contact lenses and hearing aids. (These benefits for children are standard Medicaid benefits.)

## **Earn healthy rewards:**

Watch your rewards add up when you have certain exams and screenings and complete wellness classes and healthy activities. See how much you can earn by signing up for the [Healthy Rewards Program](#).

## **Focus on wellness:**

Join the free Diabetes Prevention Program or LEAN Program, offered by Highmark Health Options and the YMCA of Delaware.

## **Connect with us:**

Get a free smartphone (one per household). Your calls and texts to us are always free and won't affect your plan balance.

## **Get where you need to go:**

Use free transportation to your health care visits or to the pharmacy, grocery store, community events, health and wellness activities, and more.

## **Take care when you're pregnant:**

Extra benefits include the MOM Options Program, free use of the Pacify app, and a free diaper bag that contains all the essentials and converts to a changing pad.

Find more details about all your [benefits inside](#). The full list starts on page 29.

**Read Me!** Read this handbook to learn about all your benefits. There may be changes to your coverage and this handbook. The most current benefits information is on our website under **Members**.

## Here for You

### Call Us

- If you're not sure where to go for health care or have questions about a health concern, call the **24-Hour Nurse Line** at 1-855-401-8251.
- If you have questions about your benefits, call **Member Services** at 1-855-401-8251, Monday–Friday, 8 a.m.–8 p.m.
- TTY callers should dial 711 or 1-800-232-5460.
- Para asistencia en español llame al 1-855-401-8251.
- For free language translation services, call 1-855-401-8251.

**Member Services, 1-855-401-8251**  
M–F, 8 a.m.–8 p.m.

[HighmarkHealthOptions.com](https://www.HighmarkHealthOptions.com) / Find us on Facebook

## Visit Us Online

Here are some of the things you can do at [HighmarkHealthOptions.com](https://HighmarkHealthOptions.com):

- Find a new doctor or pharmacy. Click **Find Care in Your Area** to [reach the Provider Directory](#).
- Sign into **myHHO**, which is all about you. You can use myHHO to schedule an online visit with a care provider, look up your claims information, fill out forms, update your contact information, and much more. Use the login button on the homepage to enter myHHO.
- See the [Here for You newsletters](#).
- Search the [Health Library](#) to learn more about your health conditions.
- File an appeal or grievance.
- Plus much more.

## Look for Us

With the Food Bank of Delaware, we organize food distribution events in your county. (Check our website and Facebook page for details about registration.) With the YMCA, we provide wellness classes for diabetes prevention and healthy weight. We plan and attend community events.

And we do so much more to provide what you need, right where you live. [Watch this short video](#) to find out about Highmark Health Options in Delaware. [Follow us on Facebook](#) to learn what we'll be doing in your neighborhood.

## About Highmark Health Options

Highmark Health Options is a Medicaid managed care plan offered through the Delaware Diamond State Health Plan (DSHP) Plus LTSS Benefits.

Managed care means:

- We work with your primary care provider (PCP) to manage all your health care needs.
- You go to health care providers in our network.

Your PCP is very important in managing your care. At times, your PCP or another provider may need to ask us for approval before you can get a service.

## Some Services Must Be Approved

Highmark Health Options must approve some services before they can be provided. This requirement is called prior authorization. **Note:** You may have to pay when a service is given without prior authorization.

Your Case Manager can provide prior authorization for services that are part of the LTSS benefits package. Your PCP or another doctor can request prior authorization for other services. Highmark Health Options approves services that are medically necessary. A medically necessary service:

- Is reasonably needed to stop the beginning of an injury, an illness, or a disability.
- Is reasonably needed to shrink the physical or mental effects of an illness, condition, injury, or disability.
- Will help you become able to or continue to do daily chores.

Highmark Health Options doctors and nurses review the authorization request. Call Member Services if you have questions about services that require prior authorization.

## Changes in Benefits or Services

Highmark Health Options will let you know if there are changes to your benefits or the way you get services. For example, if your PCP is no longer in our network, we will send you a letter. We will ask you to pick a new doctor so there is no delay in your care.

## New Ways to Help You

Highmark Health Options looks at new ways of giving care before adding new benefits to your coverage. We use medical technologies (products, services, and solutions) that:

- Are safe.
- Help people.
- Are as good as or better than what is already used.

## Americans with Disabilities Act

Highmark Health Options complies with the Americans with Disabilities Act (ADA) of 1990. This act prohibits discrimination because of a disability. Call Member Services if you feel you have not been treated the same as others because of a disability.

## Your Privacy

Highmark Health Options carefully protects your personal information and protected health information (PHI). We expect our employees to protect all information, in all formats, all the time. This includes spoken, written, and electronic information. Our employees are taught federal and state laws protecting privacy, including HIPAA. We have policies and procedures to promote strong privacy and security practices, and to support compliance with HIPAA requirements. [Refer to the Notice of Privacy Practices](#) at the end of this handbook. The notice explains how we protect your privacy. Call Member Services to ask for a printed copy of this notice.

If you have questions or concerns about how your information is handled, call Member Services or write to:

# Frequently Asked Questions

We are often asked these questions, so we're putting answers right up front. Call Member Services if you have more questions. Or find answers on [our website](#).

## What if my family size changes?

Call the Delaware Division of Social Services (DSS) Change Report Center at 1-302-571-4900, or go to the [Delaware ASSIST website](#).

## How do I update my information?

To provide other new information about you and your family, call the DSS Change Report Center at 1-302-571-4900, or go to the [Delaware ASSIST website](#). Tell us about changes in:

- Name
- Phone Number
- Address
- Employment
- Household size (including birth of a child) or marital status
- Income
- Insurance coverage

## What is my dental coverage?

- Age 21 and older: \$1,000 coverage annually with possible additional coverage of \$1,500 for emergencies.
- Dental coverage for children is provided by the State. Call Customer Relations, Delaware Division of Social Services, at 1-800-372-2022.

## How do I get prior authorization for a service?

Ask your doctor. Your primary care provider (PCP) or other health care provider must ask us for approval before some standard Medicaid benefits can be provided. Your Case Manager can provide prior authorization for services that are part of the LTSS benefits package.

## What should I do if I get a bill?

Call Member Services with the billing information. Delaware Medicaid providers cannot charge you for services that Highmark Health Options covers.

## Am I covered if I see out-of-state providers?

**Yes.** You're covered for emergency services in the U.S., and its territories. Routine care from out-of-state providers may require prior authorization.

## Am I covered outside the U.S.?

**No.** Your benefits do not cover you for any services provided outside the U.S. Medicaid cannot pay for any health care services you get outside the U.S.

### Answers to More Questions

What do you need to do? Find out how to:

- Change your PCP.
- Add or remove members.
- Report a problem with a caregiver.
- Report a concern about your care.
- Request your medical records for a new PCP. Or for you.
- And more.

# Get Started

Your Highmark Health Options ID card and primary care provider (PCP) are very important. Read about them here, along with tips on how to get the most from your benefits.

## Pick a Primary Care Provider (PCP)

Your PCP is your family doctor. You must choose a PCP when you sign up. If you do not, we will choose one for you. You can have the same PCP for your entire family. Or you can have a different PCP for each person in your family. The choice is yours.

Find a complete list of network PCPs on our website in the Provider Directory. Go to the **Find Care in Your Area** link to [find the Provider Directory](#). Each listing includes the PCP's name, address, phone numbers, and board certification status. You can also call Member Services for help finding a PCP. Ask Member Services if you want to know about a PCP's education, language, residency, and qualifications.

## Check Your ID Card

Your Highmark Health Options ID card was mailed to you. Call Member Services if you did not get it. Every member of your family enrolled with Highmark Health Options will have an ID card.

Make sure the PCP listed on your ID card is the one you want. Call Member Services right away if the PCP on your ID card is not the PCP you want. Check other information on the ID card to make sure it is right, too.

Call the phone number on the back of your ID card when you need help or information. The number is 1-855-401-8251 and connects you with Member Services, the 24-Hour Nurse Line, and Behavioral Health.

### Important:

- Always keep your Highmark Health Options ID card and Delaware Medicaid card with you.
- Show both cards every time you need health care services.
- Do not let anyone else use your Highmark Health Options ID card.

## Get the Most from Your Benefits

It's important to know what your benefits are. It's also important to know how to get the most from the benefits you have.

### Discover Your Health Needs

One of the most important things you can do is complete your health needs survey, sometimes called the HRA, when asked. This survey gives you and us a complete picture of your health care needs and other needs. For example, do you need any of these:

- Health screening tests
- A doctor with a specialty, like a heart doctor
- Financial assistance
- Housing, food, or transportation

### Find Help Where You Live

Call Member Services or go to the [Community Support website](#) to find free or reduced-cost services in your community. Get food, housing, legal aid, transportation, and more. Even get help with utility bills.

## Need a ride? Use your transportation benefits.

### Rides for Medical Care

Free rides for medical care are a benefit provided by the State. The service provider is ModivCare. Call ModivCare at 1-866-412-3778 to schedule your ride three days in advance or [schedule online](#). This benefit is new for Delaware Healthy Children Program members as of July 1, 2023. This benefit cannot be used in an emergency. In an emergency, call 911.

### Rides for Nonmedical Reasons

Free rides for some nonmedical reasons are a benefit provided by Highmark Health Options. Call Member Services to talk about your transportation need and schedule a ride. Schedule three days in advance for a ride to places that qualify, such as:

- Community events
- Food bank
- Grocery store
- Highmark Health Options event
- Job center
- Local organization (e.g., library, Weight Watchers, YMCA)
- Pharmacy
- Social Security office
- State Service Center

Rides are also available if you are returning home after an inpatient stay. The service provider is American Logistics. Service is limited to Delaware within 50 miles of your home. Cars and wheelchair vans are available.

# You deserve a reward.

Healthy Rewards is one of your Highmark Health Options benefits. You or your child can earn rewards when you complete certain healthy activities.

To sign up and see the rewards you can earn, go online or call:  
[my.therapayrewards.com/hho](https://my.therapayrewards.com/hho)  
1-866-469-7973

Scan to  
get started.

## Reward activities can include:

Activity	Reward
Annual wellness visit (ages 20 and older)	\$25
Annual well-child visit (ages 3-19)	\$25
Well-baby visit series (through age 30 months)	\$10 per visit/up to 8 visits
Lead screening (up to age 24 months)	\$25
Asthma controller medicine (age 18 and younger)	\$10 per fill/up to 6 fills
Asthma management through Ivira (age 18 and younger)	\$10 per call/up to 6 calls
Blood pressure monitoring through Ivira	\$25 for enrolling
Breast cancer screening	\$30
Cervical cancer screening	\$30
Colorectal cancer screening	\$25
A1c test for people with diabetes	\$15
Retina exam for people with diabetes	\$25
Doctor visit after giving birth (up to 84 day after delivery)	\$25
Doctor visit after leaving the hospital	up to \$50
Completed surveys	\$5/up to 2 surveys

Powered by

**TheraPay**

## Take the GED Test for Free

Highmark Health Options covers the cost if you want to take the GED test. Passing the GED test is like having a high school diploma. Earning your GED can lead to more job choices and a chance to enter college. You qualify for this benefit if you:

- Are age 18 or older.
- Are not enrolled in high school or a college program.
- Do not have a high school diploma.

Call a Member Advocate at 1-855-430-9852 for more information about the voucher program that covers test costs.

## Tell Us If You Have Other Insurance

Call Member Services if you or any member of your family is covered by Highmark Health Options and another insurance plan. Your Delaware Health and Social Services caseworker also needs to know this information.

If you have health, dental, or vision insurance through another insurance company, you must use that insurance coverage first as a primary insurance. This means that insurance company must pay first. Highmark Health Options is always the last payer if you have other insurance coverage. **Note:** It is important to show your health care providers all your insurance cards.

You also need to call us if:

- You have a workers' compensation claim.
- You're waiting for a decision on a personal injury or medical malpractice lawsuit.
- You have an auto accident.

Call Member Services and tell us if you have received medical care after an accident, work-related injury, or any other situation when a different insurer or lawyer is involved. If you have received care due to an accident or work-related injury, we will work with the other insurer to make sure your claims are paid correctly.

We will not share this information with anyone except your health care provider and others as the law allows.

## Have an Advance Health Care Directive

It is your legal right to make an advance directive about your medical care. Make sure your wishes will be honored if you cannot speak for yourself.

When you're admitted to the hospital, you will be asked if you have an advance directive. An advance directive gives you the chance to state what kind of medical care you want before medical care is needed. An advance directive is followed only when you're not able to say what medical care you want.

There are two kinds of advance directives:

- A **living will** is a statement about the kind of care you want to help you stay alive if you are in a terminal condition or permanent state of coma.
- A **power of attorney for health care** allows you to appoint someone to make health care choices for you when you're unable to make your own.

Call Member Services for a form or [use the online form](#). Talk to your doctor about your advance directive. Ask to have yours filed in your medical record. If your wishes have not been followed and you wish to file a complaint, contact the Division of Services for Aging and Adults with Physical Disabilities at 1-800-223-9074.

**Note:** You must have two people witness you signing the form. It is suggested but not required that you have a notary public witness you sign the form.

# Your PCP and Other Professionals

Read on to learn how your PCP manages your care and different types of care. And meet other Highmark Health Options professionals who can help you.

## Your PCP Manages Your Care

Your primary care provider (PCP) provides routine care and manages other kinds of care and hospital stays. Your PCP is your family doctor. There is no charge for PCP visits. Your PCP is usually the first person you call when you need health care. Your PCP may ask you to come to the office for some emergency conditions, such as high fever or vomiting that does not stop.

## Routine Care

Your PCP provides routine care, or primary care. This includes checkups to help you stay healthy and office visits when you're sick. It can also include prescription drug refills or changes.

## After-Hours Care

You can call your PCP 24 hours a day, 7 days a week. Use the PCP phone number on the front of your ID card. After office hours, your call will go to an answering service. You can leave your name and phone number. Your PCP or an on-call doctor will call you back.

Call the 24-Hour Nurse Line at 1-855-401-8251 if you have a medical concern and do not know what to do. The nurse can help you decide if you should schedule a visit with your PCP, seek urgent care, or go directly to the emergency department. ([See more about routine care, urgent care, and emergency care.](#))

## Specialist Care and Referrals

If you need care that your PCP does not provide, your PCP may schedule a visit with a specialist. This is called a referral. A specialist focuses on a specific health issue. For example, a heart doctor, skin doctor, or someone who does surgery.

Your PCP and the specialist will work together to care for you. If you have been seeing a specialist for an ongoing problem, you can ask your PCP to allow a standing referral to the specialist. A standing referral means you can schedule a visit with the specialist yourself, without help from your PCP. Another option is for your specialist to be your PCP.

## Hospital Stays

Your PCP or specialist will arrange all your hospital stays. You will not be admitted to a hospital without your PCP's orders, except in an emergency. If a doctor other than your PCP admits you to a hospital, you or your authorized representative should call your PCP within 24 hours.

## Second Opinions

When you're getting care for a medical condition, it can be a good idea to get a second opinion. This means an opinion from another doctor. Your PCP can refer you to another network doctor for a second opinion. Or call Member Services to find a doctor who can provide a second opinion. If a network doctor is not available, we will arrange for you to get a second opinion from an out-of-network doctor at no cost. The doctor giving the second opinion must not be in the same office or group as the doctor who provided the first opinion.

## Prior Authorization

Your Case Manager can provide prior authorization for services that are part of the LTSS benefits package. Your PCP or another doctor must call us to request other services that require [prior authorization](#). We will look at all the medical facts that your doctor gives us to decide if a requested service is the best way to take care of you.

## Schedule a PCP Visit

Use the PCP phone number on the front of your ID card. Your PCP should schedule the visit within three weeks of your request. Call the PCP's office to let them know if you cannot keep your appointment.

## Change Your PCP

Call Member Services if you want to change your PCP at anytime for any reason. A representative will make the change for you. At the beginning of the next month, you will get an updated ID card in the mail. It will include your new PCP's name and phone number.

## Meet Other Helpful Professionals

Your PCP may tell you to contact Highmark Health Options when you have questions or need help. These are some of the professionals you may meet.

### Case Manager

Your Case Manager is the first person you should go to if you have questions or concern about:

- Your services and support
- Your health care

[Read more about your Case Manager.](#)

### Member Services Representative

A Member Services Representative is the first person you talk to when you call Highmark Health Options. Representatives are there to answer your questions and listen to your concerns. If they cannot provide the help you need, they will connect you to someone who can.

### Member Advocate

A Member Advocate can help you, your provider, and your Care Coordinator obtain care, schedule appointments, and file a grievance or an appeal. Call 1-855-430-9852 to talk to a Member Advocate.

# Where to Get Care

Your benefits cover in-person and online care, and routine, urgent, and emergency care. Here are descriptions of the different types of care. It's important to go to network providers and know the best place to get care when you need it.

## Choose In-Person or Online Care

To see a doctor in person, find a provider near you in the [Provider Directory](#). You can also choose virtual visits (online care) for urgent and behavioral health care. Register on the HHO on the Go app or online at [HHOontheGo.com](https://www.hhoonthego.com). You can use HHO on the Go wherever you are, 24/7.

Get the HHO on the Go app on the [Apple App Store](#) or [Google Play](#).

**Note:** The HHO on the Go doctor is not the same as your PCP. Some PCPs also offer online care. Call your PCP to ask.

## Different Kinds of Care

If you have a medical problem but are not sure if it is an emergency, call your PCP or behavioral health specialist first. (A behavioral health specialist is someone who focuses on mental health and help for substance use.) Your PCP or on-call doctor is available 24 hours a day, 7 days a week. Use the PCP phone number on the front of your ID card.

**Routine care** is provided at your PCP's office. When you call, your PCP may ask you to come into the office. Or your PCP may say you need urgent care or emergency care. Go to the emergency department only in case of an emergency or if your doctor tells you to. [See examples of routine care.](#)

**Urgent care** facilities are for conditions that are not life threatening but need attention within 48 hours. If you cannot reach your PCP and need help after hours, you may want to go to an urgent care provider. Do not go to the emergency department for urgent care. [See examples of conditions that require urgent care.](#)

**Emergency care** is needed when you must be treated right away for a serious medical or behavioral health problem. This is so your condition does not get worse or cause you severe harm. If you have an emergency, call 911 for an ambulance or get to your closest hospital emergency department as soon as possible. [See examples of conditions that require emergency care.](#)

It's important to know that at the emergency department:

- You have the right to get the medical or behavioral health care you need. The hospital should give the right medical tests to find out if you have an emergency medical illness.
- You can ask to go to a different hospital if you want.
- You can say no to care.

## Know Where to Get Care

Here are some reasons you might go to a PCP, urgent care, or the emergency department. If you need advice quickly, call the 24-Hour Nurse Line at 1-844-325-6251. The nurse will ask questions to help you decide whether you need routine, urgent, or emergency care. **Note:** For a mental health emergency, call 988. This is the nationwide Suicide and Crisis Lifeline.

### Primary Care Doctor

Visit during regular office hours for:

- Checkups, ongoing care
- Flu shots, other vaccines
- Medicine refills or changes
- Referrals to a specialist
- Animal or insect bite
- Back pain
- Cold and flu-like symptoms
- Headaches, migraines
- Minor burns
- Nausea, vomiting, diarrhea
- Rash
- Sore throat
- Sprains, strains
- STD, urinary tract infection

### Urgent Care

Visit outside your doctor's office hours for:

- Most conditions listed for primary care
- Allergic reaction
- Broken bone with no broken skin
- Cuts needing stitches

### HHO On The Go

Use [24/7 online doctor visits](#) for:

- Most conditions listed for primary care
- Appointments for therapy and psychiatry (age 18 and older)

### 24/7 Emergency Room or 911

Visit outside your doctor's office hours for:

- Broken bone out of place
- Chest pain
- Difficulty speaking
- Eye injury
- Head injury or unconscious
- Overdose or poisoning
- Shortness of breath
- Weakness on one side (face or limbs)

## After an Emergency

After an emergency department visit, you may need to go to your PCP or behavioral health specialist for follow-up care. Any medically necessary services are called post-stabilization services. They are covered and provided without prior authorization.

Do not go back to the emergency department to have a bandage changed, stitches removed, or a cast checked. Your PCP can arrange this kind of follow-up care or additional testing. If you have a new emergency, go to the emergency department.

## Out-of-Network Care

There may be a time when you need to use a provider or hospital that is not part of the Highmark Health Options network. Here's what you need to know.

If you need care from an out-of-network provider, your PCP can call us to request out-of-network coverage. If we find a provider or hospital in the network, we will let your PCP know.

If network care is not available, Highmark Health Options will cover out-of-network care for as long as you cannot get network services.

If you're new to Highmark Health Options, you have the right to keep seeing an out-of-network provider to finish a series of treatment. The provider must agree to our rules.

Keep in mind that Highmark Health Options must approve any services you get from providers who are not in our network. If you do not get approval, the provider may be allowed to bill you for the costs of the services. If you ask to use a provider or hospital outside of our network and your request is denied, you can file an appeal. ([Learn more about appeals.](#))

## Care Outside Your Area

If you're out of the service area and have a medical emergency, such as a heart attack or car accident, go to the nearest emergency department. All health care providers in the U.S. are required to provide services to Medicaid members. You or your authorized representative must call your PCP as soon as possible.

## No Coverage Outside the U.S.

If you're outside the U.S. and need medical care, Highmark Health Options will not cover any services you receive. Medicaid cannot pay for any health care services you get outside the U.S.

# Medical and Behavioral Health Benefits

Here's the full list of covered medical and behavioral health services for adults and children. Age limits for services are noted. Some services may require prior authorization. Call Member Services if you're not sure if a service is covered.

## Diamond State Health Plan Plus LTSS

LTSS Benefits	Details
Adult day services	Supervised care and personal services during the day, provided in a community-based setting. Meals and therapies may also be included. Not offered to members living in assisted living or nursing facilities.
Attendant care	Help with activities of daily living (ADLs), such as bathing, dressing, personal hygiene, transferring, toileting, skin care, eating, and assisting with mobility. Not offered to members living in assisted living or nursing facilities.
Cognitive services	Counseling and therapy for members and their families. Limited to 20 visits per year plus an assessment. Provided to members who have cognitive deficits or interpersonal conflict, such as those shown as result of a brain injury. Not offered to members living in assisted living or nursing facilities.
Community-based residential alternatives	Homelike residential settings, including assisted living facilities, that offer support services as well as social and recreational programs.
Day habilitation	Help with learning and development skills to aid in independence inside and outside the home. Day habilitation takes place in a nonresidential setting, separate from the member's home. Meals and therapies may also be included. Provided to members who have cognitive deficits or interpersonal conflict, such as those shown as result of a brain injury. Not offered to members living in non-acquired brain injury (ABI) assisted living or nursing facilities.
Home-delivered meals	Up to two nutritionally well-balanced meals per day delivered to the member's home. Not offered to members living in assisted living or nursing facilities.
Independent activities of daily living	Help with cooking, cleaning, shopping, and more. Not offered to members living in assisted living or nursing facilities.
Minor home modification	Changes to the member's home to aid independence, such as installing a grab bar or wheelchair ramp. The benefit is based on medical necessity and covers up to \$6,000 per project, \$10,000 per calendar year, and \$20,000 per lifetime. Service providers must be approved by Highmark Health Options. Not offered to members living in assisted living or nursing facilities.
Nursing facility	Services provided by a nursing facility to residents of the facility, including skilled nursing care and related services, rehabilitation services, and health-related care and services.
Nutritional supplements for HIV/AIDS	Oral supplements for those with weight loss and malnutrition as a result of HIV/AIDS. Not offered to members living in assisted living or nursing facilities.
Personal emergency response system	A personal, electronic device provides 24-hour access in an emergency. The device is connected to the member's phone and sends a signal to someone who can help when the member pushes the button on the device. Not offered to members living in assisted living or nursing facilities.

Respite care	Personal care provided at home, in an assisted living facility, or in a nursing home so a regular unpaid caregiver may rest. Limited to 14 days per year. Not offered to members living in assisted living or nursing facilities.
Self-directed attendant care service	Financial management and general support for members who choose to self-direct their attendant care services. This means the member, or an Employer Representative selected by the member, serves as the legal employer of the paid caregiver. This benefit gives the member or member's Employer Representative support from a Fiscal Employer Agent that takes care of the taxes, payroll withholding, and paychecks for the caregiver. The Fiscal Employer Agent also helps the member find and train an Attendant Care Employee. Not offered to members living in assisted living or nursing facilities.
Specialized medical equipment	Helpful items, such as grabbers. Covers only items not covered by the State.
Nursing facility transition (NFT) services	Help with costs related to a move from a nursing facility to the home or community. Example costs include security deposit, telephone connection fee, groceries, furniture, linens, etc. Benefit covers up to \$2,500 per transition. Covered under the NFT program.
Nursing facility transition (NFT) workshops	Workshops help members and their families prepare for community living. Covered under the NFT program.

Extra Benefits from Highmark Health Options	Details
Benefits for expecting and new moms	<ul style="list-style-type: none"> <li>Mom Options program for expecting moms who have regular exams before baby's birth. Rewards include choice of infant car seat, stroller, Pack 'n Play, or Baby Shower in a Box.</li> <li>Essentials diaper bag packed with diapers and more for the new baby. Nonemergency transportation	Covered by the State for transportation to health care visits via <a href="#">ModivCare</a> .
Nursing home care	Covered up to 30 days per year; additional days are considered long-term care. Apply to the Delaware Medical Assistance Program for long-term care.
Observation	Covered
Online medical visits	Covers virtual visits at HHO on the Go website or app. Available 24/7. <ul style="list-style-type: none"> <li>• All ages: Urgent care.</li> <li>• Age 18 and older: Therapy and psychiatry.</li> </ul>
Opioid addiction treatment	Covers medication-assisted therapy.
Organ transplant	Covers transplant and evaluation before transplant.
Orthopedic shoes	Covered*
Outpatient surgery	Covers same-day and ambulatory surgery.
Pain management	Covered
Personal care	Covers services provided by aides in the home.
Physical, speech, and occupational therapy	Covers outpatient services.
Podiatry care	Covers routine podiatry care for people with diabetes or blood flow problems in the legs.
Prescription drugs	Covers medicine prescribed by a doctor. New: A 90-day supply is available for some medicines for chronic conditions.
Primary care physician visits	Covers doctor office visits, checkups, and sick visits.
Private-duty nursing	Covered with prior authorization.
Prosthetics and orthotics	Covered*

Respite care (pediatric)	Age 20 and younger: Covers short-term services so a child's regular unpaid caregiver can take time away. The covered benefit is for a total of 285 hours or 15 days per year. Respite care can either be at home or outside the home (for example, at a center). Emergency respite is a maximum of six 72-hour episodes per year. Note: This benefit is no longer provided by the Department of Education.
School-based wellness centers	Covered
Second opinion	Covers advice from a second doctor to compare with the advice of another doctor.
Self-directed attendant care	Age 20 and younger: Covered for children who receive personal care services. Includes help with activities of daily living, as directed by a parent or other caregiver. Limit of 40 hours of care per week.
Skilled nursing facility	Covers nursing home care up to 30 days per year.
Sleep apnea study	Covered
Specialist visits	Covers care from a doctor who has special training for a specific condition or illness.
Stop smoking or vaping help	Covered by <a href="#">Quitline</a> . Available in person and online.
Surgery	Covers inpatient and outpatient surgery.
Urgent care/Walk-in care	Covers care or medical treatment needed within 48 hours. Not an emergency.
Well-baby and well-child visits, vaccinations	Covers care for children with Medicaid coverage through the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) program.
Wheelchair rental	Requires prior authorization.

\* Requires prior authorization if cost is more than \$500.

## Benefits That Are Not Covered

Abortion	Covered only in cases of incest, rape, or threat to the mother's life.
Acupuncture	Unless provided by a chiropractor.
Care from Christian Science providers and sanitariums	
Cosmetic services	
DESI drugs*	
Infertility treatments	
Sterilization for those age 20 and younger	

\*Drug Efficacy Study Implementation (DESI): A Food and Drug Administration (FDA) program that requires that all drugs be effective as well as safe. Drugs coded as DESI are not covered by the Medicaid program.

## Mental Health and Drug and Alcohol Services

Behavioral health means your mental and emotional well-being as well as any problems with substance use. Per government rules, you have unlimited treatment when it is medically necessary for drug and alcohol dependencies. This includes:

- Treatment in a residential setting
- Intensive outpatient programs
- Inpatient withdrawal management

Call Member Services if you have questions about this coverage.

## Benefits for Children (age 20 and younger)

The federal government requires Highmark Health Options to offer a preventive health program to people age 20 and younger who get Medicaid. It's called the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) program. Its purpose is to catch health problems early so children can stay healthy. Highmark Health Options provides the EPSDT program free of charge.

EPSDT wellness visits are also called well-baby and well-child visits. It is important to go to all visits. They provide a range of wellness care. They also give parents or guardians the chance to learn more about diet, safety, ways to meet the child's needs, and the child's mental well-being. And the visits can sometimes be used as the exam a child needs to get into Head Start or school, or to get a driver's license.

At wellness visits, the child's PCP provides screenings and immunizations. The Centers for Disease Control recommends this [child and adolescent immunization schedule](#). The PCP also asks questions, perform tests, and checks how much the child has grown. Depending on the child's age and needs, the PCP may provide these services:

- Complete physical exam
- Immunizations (vaccinations)
- Autism screening
- Blood lead level screening test
- Developmental screening
- Depression screening (starting at age 12)
- Hearing test
- Vision test
- Nutrition evaluation
- Oral health exam (mouth)

During the oral health exam, the PCP will decide if the child is due for a dental appointment. The PCP will refer the child for a dental screening when the first tooth shows, or no later than 12 months of age.

If the PCP finds the child has a medical condition that requires treatment or equipment, the PCP will call Highmark Health Options to ask for the service or equipment.

# DSHP Plus LTSS Benefits

Your benefits cover long-term services and supports (LTSS). This includes facility-based care and home- and community-based services.

Home- and community-based services help you stay at home by providing support for everyday activities. This includes bathing, dressing, preparing meals, and doing household chores. Your care plan describes the services and care you need. Covered services do not replace services that are paid for by Medicare or other insurance.

## Your Case Manager

As part of your Highmark Health Options benefits, you will have a Case Manager. Your Case Manager is the first person you should go to if you have questions or concerns about:

- Your services and supports
- Your health care

You will receive a letter with the name and phone number of your Case Manager. If you do not, call Member Services. Call your Case Manager when you need help. You do not need to wait until your Case Manager comes to your home or calls you.

Your Case Manager will:

- Tell you about your benefits and answer your questions.
- Give information to help you make good choices about your health care.
- Help you get the right long-term services and supports in the right setting.
- Coordinate all your physical, mental, and long-term care service and support needs.
- Contact you when you are in the hospital and when you go home.
- Help solve issues you may have about your care.
- Make sure your care plan is followed and is working for you.
- Be aware of your changing needs and update your care plan.
- Talk with your doctors about your health needs and care.
- Talk with your doctors to arrange services.

If you have **nursing home care**, your Case Manager will:

- Work with the nursing home to be part of your care planning. This includes being part of the nursing facility care plan conferences.
- Find ways to help manage your health care plan using your Highmark Health Options benefits.
- Work with the nursing home when you need services the nursing home is not responsible for providing.

- Have face-to-face visits with you at least every 180 calendar days.
- Determine if you want and are able to move from the nursing home to the community.
- Help plan a safe move.

If you have **home care** or **reside in an assisted living facility**, your Case Manager will:

- Assess your needs and the best services for you.
- Work with you to make your own care plan.
- Involve the right health care providers when making your care plan.
- Make sure your care plan is followed and working well for you.
- Help you find providers in our network.
- Make sure you're getting what you need and help fix any gaps in care right away.
- Give you information about community resources that might be helpful to you.
- Meet with you face-to-face at least every 90 calendar days.
- Check at least once per year to make sure you meet the criteria for LTSS services.

## Ask for a New Case Manager

You may ask for a new Case Manager if you're unhappy with the person who is working with you. We will assign a new Case Manager who best meets your needs. Call a Member Advocate at 1-855-430-9853 if you want to change your Case Manager. Tell us why you want to change so we will address your concerns. If we cannot give you a new Case Manager, we will tell you why.

There may be times when we must change your Case Manager. This may happen if your Case Manager no longer works for Highmark Health Options, is temporarily not working, or when Case Manager assignments must change. If this happens, we will send you a letter with the name and telephone number of your new Case Manager.

## Your Benefits Give You Options

Your Case Manager will help you get care in the setting you want.

If you qualify for nursing home care, you can choose to be cared for:

- In a nursing home.
- In another place in the community (for example, assisted living).
- In your home with home- and community-based services if your needs can be met safely and effectively.

You may change your choice at any time.

Your Case Manager can help you find providers. Your providers must be in our provider network. They also must be willing and able to provide the care you need.

## Self-Directed Attendant Care

Self-directed attendant care means hiring and managing your own caregiver. As the employer, you have more control over the employee who provides your care and how your care is given.

As the employer, you must be able to:

### Hire and train your caregiver.

- Create a job description.
- Find, interview, and hire your caregiver.
- Define your caregiver's job duties.
- Train your caregiver to deliver your care based on what you need and like.

### Schedule your caregiver.

- Set the times your caregiver should start and end the workday.
- Make sure your caregiver does not work more than the approved number of hours.

### Supervise your caregiver.

- Watch your caregiver.
- Evaluate how your caregiver performs job duties.
- Address problems related to how your caregiver performs job duties.
- Fire your caregiver when needed.

### Manage your caregiver's pay and keep notes about services they provide.

- Make sure your caregiver starts and ends the workday as scheduled.
- Keep good notes about how well your caregiver provides your care.

### Plan ahead.

- Have and use a backup plan when your caregiver is not available or does not show up.

## Employer Representative

If you can't do the things in the list above, you can ask someone to be your Employer Representative. Choose a family member, friend, or someone close to you who is dependable.

Your Employer Representative must:

- Be at least age 18.
- Know you very well.
- Know your health care needs and how you want care to be given.
- Know your schedule and routine.
- Know the medicine you take.
- Be able and willing to do all that is required of them.

Note: Your Employer Representative cannot get paid, but you can pay a family member or friend to provide care.

## Helpful Agencies

If you choose self-directed attendant care, JEVS Human Services or Easter Seals can help you or your Employer Representative:

- Fill out and file payroll tax forms. You must fill out these forms to pay your employee.
- Serve as a Support Broker. This means help you with employer duties, such as:
  - Writing a job description.
  - Finding and interviewing caregivers.
  - Training your caregiver.
  - Scheduling your caregiver.
  - Making a backup plan for the times when a scheduled caregiver is not available or does not show up.

Note: Your Support Broker cannot help you supervise your caregiver. You or your Employer Representative must be able to do that.

## How to Enroll

To enroll in self-directed attendant care, talk with your Case Manager. Your Case Manager will help set up self-directed attendant care if it is the kind of care you request. Keep in mind:

- You get the same services whether you choose self-directed care or not.
- The services and care you need are in your care plan.
- You get only the services you need that are listed in your care plan.
- Your current care plan is in place until self-directed attendant care is set up.
- You must have the care you need until self-directed attendant care is set up.
- You can have an employee caregiver in addition to network providers who are not your employees.

You may start or stop self-directed attendant care at any time. You will still get attendant care services if you stop. A home health agency in our network will provide attendant care services.

## Help During and After a Hospital Stay

Your Case Manager can help when you're in the hospital and after you go home.

**When you're in the hospital,** your Case Manager will call you to:

- Answer questions you may have about going home.
- Remind you to ask about medicines.
- Remind you to make a follow-up doctor appointment.

**After you get home from the hospital,** your Case Manager will call you to:

- Review your discharge orders with you.
- Talk about your medicines.
- Help you make a list of questions for your doctor.
- Help you arrange a ride to a follow-up doctor visit, if needed.

**After your follow-up visit to your doctor,** your Case Manager will call you to:

- Talk about the doctor's orders.
- Talk about your medicines.

## You May Be Responsible for Some Costs

You may have to pay for part of the cost for your care. This partial payment is called the "patient liability." The amount you pay depends on your income. You must pay the nursing home or assisted living facility the amount you are responsible for. If you refuse to pay, the facility may not let you live there. Highmark Health Options will try to help you find another facility.

## Abuse, Neglect, and Exploitation

You have the right to be free from abuse, neglect, and exploitation. It is important that you understand what these are and how to report wrong actions.

### Abuse

Abuse can be physical, emotional, or sexual. It can include:

- Pain
- Injury
- Mental suffering
- Cruel treatment
- Being locked up
- Being held against your will

### Neglect

Neglect is when your caregiver is not taking care of your basic needs. It means your caregiver fails to give or arrange your care. Neglect puts you at risk for harm to your health and safety. This can be on purpose or due to careless behavior.

### Exploitation

Exploitation is when you're made to do something you don't want to do. Or someone may ask you to do something without revealing the reason why. Exploitation can include:

- Bullying
- Forgery
- Fraud
- Use of banking accounts or credit cards without permission

Financial exploitation is when a government agency pays you or a caregiver, and the caregiver uses the funds in the wrong way.

## Report Wrong Actions

Wrong actions like abuse, neglect, and exploitation are called **critical incidents**. Report a caregiver who:

- Injures you or causes emotional distress.
- Forces or tricks you into sexual activity.
- Steals your money or medicine.
- Uses your credit card without permission.
- Denies your basic needs (food, medicine, personal care items, and supervision).
- Causes a severe injury (a broken bone, deep cut, or serious burn).
- Is unprofessional (yelling at you or refusing to do their job).

If you think you have been the victim of abuse, neglect, or exploitation:

- Call your Case Manager right away.
- Call a Highmark Health Options Member Advocate at 1-855-430-9852.
- Call Adult Protective Services at 1-800-223-9074.
- Call Child Protective Services at 1-800-292-9582.

Find [more information about reporting child abuse and neglect](#) online.

# Dental, Hearing, and Vision Benefits

In addition to medical benefits, adults and children have dental, hearing, and vision benefits. Dental benefits for children are covered by the State of Delaware. Hearing and vision benefits for children are covered by Highmark Health Options.

## Dental Benefits for Adults (age 21 and older)

Highmark Health Options covers dental care for adults age 21 and older. Take advantage of coverage that lets you correct dental problems now and prevent new ones in the future.

Dental benefits include \$1,000 coverage each year. More coverage (up to \$1,500) may be approved for emergency dental care. When using your dental benefits, you:

- Do not need a referral.
- May have a copay of \$3.\*
- May have to pay for dental services that are not covered or total more than \$1,000.

Dental benefits cover:

- Exams
- Routine cleanings
- Preventive services
- Oral and maxillofacial (face and jaw) surgery
- Periodontics
- Denture repair

Dental benefits do not include:

- Dentures
- Removal of bony impacted wisdom teeth

\*As of Dec. 1, 2023, you will be charged a copay for dental services.

## Dental Benefits for Children

The State covers dental services for children age 20 and younger. Call Customer Relations, Delaware Division of Social Services, at 1-800-372-2023.

## Hearing Benefits for Adults (age 21 and older)

Highmark Health Options now offers this extra benefit, which is not a standard Medicaid benefit:

- Routine annual hearing exam with no copay.
- Selection from six brands of hearing aids.
- One hearing aid for each ear every 2 calendar years.
- Ear molds and fitting.
- 60-day trial period.
- One-year supply of batteries.
- Three-year manufacturer's warranty for repairs and maintenance.

Call 1-877-759-3272 to talk with a hearing consultant and schedule a visit.

## Hearing Benefits for Children

Hearing aids are a standard covered benefit for children age 20 and younger.

## Vision Benefits for Adults (age 21 and older)

Adults are covered for one routine eye exam per year with no copay. Coverage also includes sick visits for conditions like diabetic retinopathy, glaucoma, and infections.

Highmark Health Options now offers adults these extra benefits, which are not standard Medicaid benefits:

- Contact lenses or clear plastic prescription lenses and frames.
- Contact lenses include disposable and extended wear.
- Limited selection of stylish frames to choose from.

Call Member Services or [search the Provider Directory](#) to find an eye doctor.

**Note:** Be sure to show your ID card to your eye care provider.

## Vision Benefits for Children

Children are covered for one routine eye exam per year with no copay. Coverage also includes sick visits for conditions such as diabetic retinopathy, glaucoma, and infections. Glasses or contact lenses are a standard benefit, covered up to a \$120 limit.

**Note:** Be sure to show your child's ID card to the eye care provider.

## Chiropractic Benefits

Chiropractic benefits cover diagnostic imaging and manipulation of the spine to reduce some kinds of pain. This includes neck, back, pelvis, and sacrum pain. Coverage includes services to reduce pain and help healing, such as acupuncture and massage.

### Covered Services

Services are provided to members who have a significant nerve or muscle condition that requires treatment. Services are covered only when provided by a chiropractor licensed by the State and legally authorized by the State to perform manual manipulation of the spine. Chiropractic care may require prior authorization and medical review.

Coverage includes:

- Manipulation for neck, back, pelvis, or sacrum pain or dysfunction.
- One manipulation per day. Maximum is 20 manipulations per calendar year. Additional manipulations may be allowed if medically necessary.
- One diagnostic exam each year to determine progress. More than one may be allowed if medically necessary.
- X-rays may be used to diagnose spinal subluxation, or partial dislocation. Coverage of spinal X-rays is limited to one set per member in a rolling 12-month period.
- Additional X-rays may be taken within the same calendar year to document a new condition or a problem with an existing condition.
- X-rays used to determine progress are limited to one study per calendar year.
- Progress X-rays, beyond the first in a calendar year, may be preauthorized.

# Maternity and Newborn Benefits

Maternity care is covered under your medical benefits. We're here for you before and after your baby is born.

## Maternity Care

It's very important to see your doctor regularly before and after your baby is born.

Maternity care includes:

- Office visits and tests before your baby is born (prenatal care).
- The hospital stay when you have your baby.
- Office visits and tests after your baby is born (postpartum care).

As soon as you find out you're pregnant:

- See your PCP within 14 days.
- Call Highmark Health Options. We will send you information about the Mom Options program (see below).
- Talk to a Care Coordinator if you have questions about your benefits and pregnancy. Also ask about ways to get help in your community.

**Note:** If you joined Highmark Health Options during the last three months of your pregnancy, you may be allowed to stay with your current doctor, even if that doctor is not in our network.

## Mom Options

To be eligible for this program, visit your doctor by week 14 of your pregnancy and go to a series of visits before the baby is born. These are called prenatal visits. Visits happen every month and then more often closer to your due date.

When we learn you're pregnant, we will send you a Mom Options brochure. Take the brochure to every prenatal visit to get your doctor's signature. When you have your doctor's signature for all your visits, return the brochure to us. We will send you the item you choose:

- Infant/toddler car seat
- Baby stroller
- Pack 'n Play (playpen)
- Baby Shower in a Box

We also will ask if you want a Care Coordinator. This is a nurse or social worker to talk to when you have questions and help you arrange prenatal visits. Call Member Services for more information.

## Delaware WIC

The Special Supplemental Nutrition program for Women, Infants, and Children, known as WIC, is a free program for:

- Pregnant women
- New mothers
- Breast-feeding mothers
- Children up to age 5 who are not getting the nutrition they need

The program provides:

- Food coupons
- Information and counseling about nutrition
- Referrals to health and social services

Food coupons can be used to buy nutritious foods, such as fresh fruits and vegetables, whole wheat bread or rolls, brown rice, oats, whole wheat or soft corn tortillas, soymilk, tofu, jarred baby foods, canned beans, pink salmon, and sardines. Many grocery stores take WIC food coupons. [Sign up online](#) or call 1-800-222-2189.

## Benefits for Newborns

Make sure your baby has health care coverage and the PCP you want. As soon as you can after your baby is born (and within 30 calendar days):

- Call the Delaware Division of Social Services Change Report Center at 1-302-571-4900 to make sure your baby is added for health benefits.
- Call Member Services to tell us which PCP you want for your baby. If you do not choose a PCP for your baby, we will choose one for you. You will get an ID card for your baby with the PCP's name and phone number on it.

## Help for Opioid Use When You're Pregnant or Breastfeeding

You could harm yourself and your baby by using opioids during and after pregnancy. Opioids can be prescription medicine for pain, such as codeine or oxycodone, and street drugs, such as heroin. Drugs you use during pregnancy will be passed along to your baby. There is a chance this will cause health problems. You may lose the baby or have the baby too early. The baby may be born with serious side effects from the drug. These include painful opioid withdrawal and birth defects.

If you use drugs when you are breastfeeding, the drug will be passed along to your baby. Your baby may have side effects that can be serious, like trouble breathing or stopping breathing.

It can be dangerous to suddenly stop using opioids. Talk to your doctor about treatment options. A combination of therapy and medicines can help you quit using opioids. This is called medication-assisted treatment.

To learn about safe treatment when you're trying to quit opioids:

- Call 1-800-652-2929 in New Castle County.
- Call 1-800-345-6785 in Kent and Sussex Counties.

# Family Planning Benefits

Family planning is a covered benefit. People age 21 and older who are covered by DSHP can see any licensed family planning provider. People age 20 and younger who are covered by DHCP must use a network provider.

Family planning can help you learn how to:

- Be as healthy as you can before you become pregnant.
- Keep you or your partner from getting pregnant.
- Keep you from getting diseases.

Licensed family planning providers can be:

- PCPs
- Clinics
- Certified nurse-midwives
- OB/GYNs (specialists in obstetrics and gynecology)

If you see a family planning provider who is not your PCP, let your PCP know so the providers can work together. You do not need to get prior authorization from Highmark Health Options or a referral from your PCP to get family planning care.

**Note:** Family planning records are kept private. Doctors keep all family planning records private unless the law says otherwise. Your doctor is allowed to share your medical information with other doctors who take care of you, public health officials, and government agencies.

# Timing of Your Health Care Visit

## Schedule a Health Care Visit

Highmark Health Options asks PCPs and specialists to follow rules about scheduling visits. The rules say how much time should pass between the date of your visit request and the date of the scheduled visit. The rules differ based on the reason for your visit and the health care provider you need to see.

### First Health Care Visit for Children

Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) program for members age 20 and younger: Regularly scheduled examinations and evaluations of the general physical and mental health, growth, development, and nutritional status of infants, children, and youth.

New members must be seen by a PCP no more than 45 calendar days after becoming a member, unless being treated by a PCP or specialist and up-to-date with screenings and immunizations.

If treated by a PCP or specialist:

- Must be seen within 2 weeks of asking.
- Exams that are not periodic must be promptly provided when needed.

Treatment for a condition found as a result of an EPSDT screening must be provided within 90 days of the screening.

### Health Care Visits with PCPs and OB-GYNs (obstetrics and gynecology)

Emergency care

Appointments for conditions that meet the definition of an "emergency condition" are available the same day. See examples of conditions requiring [emergency care](#).

Urgent care

Appointments for urgent care are available within 2 calendar days. See examples of conditions requiring [urgent care](#).

Routine care (physical exams)

Must be scheduled within 3 weeks of asking. See examples of [routine care](#).

Wellness care (whole-body, wellness exam, well-child exam, well-woman exam)

Must be scheduled within 3 weeks of asking.

Maternity care

Prenatal care appointments must be scheduled for each trimester (three-month period):

- First trimester, within 21 days of asking.
- Second trimester, within 7 calendar days of asking.
- Third trimester, within 3 calendar days of asking.

For women with high-risk pregnancies, appointments must be scheduled:

- Immediately if an emergency exists.
- Within 3 calendar days after high risk is determined.

## Health Care Visits with Specialists

Emergency care	Emergency care is available 24 hours a day, 7 days a week.
Urgent care	Urgent care appointments must be scheduled within 48 hours of asking.
Routine care (physical exams)	Routine care appointments must be scheduled within 3 weeks of asking for any specialist.

## Health Care Visits for Behavioral Health (Mental Health and Substance Use Disorder)

Care for an emergency that is not life-threatening	<p>Must be scheduled within 6 hours of asking. Examples may include:</p> <ul style="list-style-type: none"> <li>• Involuntary muscle spasms caused by drug</li> <li>• Manic mood caused by drug, without functional impairment</li> <li>• Significant, severe, distressing thoughts</li> </ul>
Care for an immediate life-threatening emergency	<p>Must be scheduled within 1 hour. Examples may include:</p> <ul style="list-style-type: none"> <li>• Potential suicide</li> <li>• Emergency requiring mobile response team</li> </ul>
Urgent care	<p>Must be scheduled within 24 hours. Examples include:</p> <ul style="list-style-type: none"> <li>• Acute major depression</li> <li>• Acute panic disorder</li> </ul>
Routine care for an initial visit	<p>Must be scheduled within 7 days of asking. Examples include:</p> <ul style="list-style-type: none"> <li>• Initial assessments</li> <li>• Discharge from an inpatient setting into community placement</li> <li>• Care after a visit to the emergency department or a behavioral health crisis provider for a behavioral health condition</li> </ul>
Routine care that is a follow-up or not an emergency	<p>Must be scheduled within 3 weeks of asking. Examples include:</p> <ul style="list-style-type: none"> <li>• General anxiety disorder</li> <li>• Marital problems</li> <li>• Tension at work</li> </ul>

# Prescription Drug Benefits

Your benefits cover many prescription drugs. Here's what you need to know about your prescription drug benefit. Use a network pharmacy to get your prescription drugs. Find pharmacies in the [Provider Directory](#) on our website.

## Covered Prescription Drugs

Highmark Health Options uses a list of prescription drugs approved by Delaware Health and Social Services for people with Medicaid. This is called the preferred drug list. Highmark Health Options covers additional medicines on the supplemental drug list. The drugs on these two lists make up the drug formulary.

Find the generic and brand names of all covered prescription drugs on our website:

1. Go to [HighmarkHealthOptions.com](https://HighmarkHealthOptions.com).
2. Click on **Members**.
3. Click on **Pharmacy Information**.
4. Click on **Drug Formulary**.

## Types of Drugs That Are Covered

Your prescription drug benefit covers these types of items:

- Aero chambers for inhalers
- Multivitamins and prenatal vitamins
- Prescriptions for behavioral health conditions
- Stop-smoking medicines, including the nicotine patch, gum, lozenges, nasal spray, and bupropion (Zyban®)
- Vaccinations given at pharmacies for flu, pneumonia, shingles, and chicken pox
- Shots that you give yourself, such as insulin (Shots that must be given by your doctor are covered under your medical benefit.)
- Diabetes supplies, including:
  - Blood glucose (sugar) monitors
  - Blood glucose (sugar) test strips
  - Lancets and lancing devices
  - Urine glucose (sugar) testing strips
  - Continuous blood glucose monitors (covered with prior authorization)

## Types of Drugs That Are Not Covered

Your Highmark Health Options prescription drug benefit does not cover all types of drugs, including prescription drugs for certain uses and over-the-counter drugs.

Your prescription drug benefit does not cover drugs that:

- Are not medically necessary.
- Duplicate a therapy that you're already taking.
- Are ordered by a physician who has been barred or suspended from participating in the Delaware Medicaid program.
- Are marketed by a drug company that does not participate in the Federal Medicaid Drug Rebate program.
- Are experimental or investigational.
- Are DESI drugs (Drug Efficacy Study Implementation is a Food and Drug Administration program that requires that all drugs be effective as well as safe. DESI drugs are not covered by the Medicaid program.)

Your prescription benefit does not cover drugs used for:

- Cosmetic purposes (for example, for wrinkles or hair growth)
- Erectile dysfunction
- Fertility treatments
- Weight loss or gain

Your prescription drug benefit does not cover over-the-counter (OTC) drugs, except those listed on the supplemental drug list:

- Herbal or homeopathic drugs
- Nutritional supplements
- OTC drugs and supplies when you live in a long-term care facility

## Prescription Drug Benefits Can Change

Highmark Health Options may make changes to the drug formulary. These changes must be approved by the Delaware Division of Medicaid & Medical Assistance and may affect which drugs are covered.

If you're taking a drug that will no longer be covered, Highmark Health Options will notify you 30 calendar days prior to the change.

### Questions or Requests? Call Us.

Call Member Services if you would like a list of covered prescription drugs or have questions about drug coverage. You can also let us know if you feel a new drug should be covered.

## Prescription Drug Copays

Highmark Health Options charges copays for prescription drugs you fill at the pharmacy. Your copay is the money you need to pay at the time of service.

Your copay is based on the cost of each prescription.

Prescription Cost	Your Copay*
\$10 or less	50 cents
\$10.01–\$25	\$1
\$25.01–\$50	\$2
\$50.01 and above	\$3

\*As of Dec. 1, 2023, you will be charged a copay for prescription drugs.

The most you will pay for prescription copays every 30 days is \$15. Once you meet the \$15 copay maximum for the 30 days, you will pay zero copays for drugs filled for the rest of the month. This copay maximum will start over every 30 days.

There are no copays for prescriptions for:

- Birth control
- Buprenorphine, buprenorphine/naloxone, and vivitrol for opioid use disorder
- Naloxone (Narcan®) for opioid overdose
- Stop-smoking medicines

There are no copays for:

- Children under age 21
- People in the Chronic Renal Disease program
- People in hospice care
- Some people in a long-term care facility
- Pregnant women (including up to 90 calendar days after the end of the pregnancy)

## Safe and Effective Prescription Drug Use

Highmark Health Options has rules about some prescription drugs. The rules include coverage limits. These rules and limits ensure you use prescription drugs in a safe and effective way. And they help promote quality care and control drug costs.

These rules apply to some prescription drugs:

- **Generic prescription drugs** are often available instead of brand-name drugs. If your PCP orders a brand-name drug, our network pharmacies will always give you the generic version. If your PCP wants you to have the brand-name drug, your PCP must request coverage through Pharmacy Services. If the request is approved, Highmark Health Options will cover the drug.

- **Prior authorization** (prior approval) is needed for some drugs. Your PCP must supply information to show the drug will work well for your medical condition and will be safe. If prior authorization is not given, Highmark Health Options will not cover the drug.
- **A quantity limit** is the largest amount of a prescription drug Highmark Health Option will cover during a certain period. The Food and Drug Administration has approved these amounts to be safe and useful.
- **Step therapy** means you must try one drug before you can use a step therapy drug. For example, if Drug A and Drug B both treat your medical condition, your doctor may be required to order Drug A first. If Drug A does not work for you, your doctor can order Drug B, the step therapy drug. Then Highmark Health Options will cover Drug B, the step therapy drug.

[See the drug formulary on our website](#) to see if any rules or limits apply to your prescription drugs. Or call Member Services.

## Guide to Getting Prescription Drugs

### Fill Your Prescription

Highmark Health Options has many network pharmacies. Always use a network pharmacy to get your prescription drugs.

You can find a list of network pharmacies online:

1. Go to [HighmarkHealthOptions.com](https://HighmarkHealthOptions.com).
2. Click on **Find Care in Your Area**.
3. You have reached the Provider Directory.  
Choose Pharmacies.

Or call Member Services to help you find a network pharmacy near you.

### Refill Your Prescription

You can call or visit any network pharmacy to request a refill. Your prescription can be refilled if:

- Your PCP ordered a refill.
- The refill is permitted by law.
- You have used 83% of your last fill.

Do not wait until you're out of your drug to get a refill. Order a refill when you have about 20% of your medicine left.

### Request a 90-Day Supply

Do you take a prescription drug for a long-term condition? You may be able to get a 90-day supply instead of a 30-day supply. This means you only need to refill your prescription four times a year. See the following page for a list of some drugs that are covered for a 90-day supply. For the most current list of drugs covered for a 90-day supply, visit our website.

The medicines covered by this benefit treat ongoing conditions like asthma, depression, high cholesterol, high blood pressure, and more. Covered medicines are listed below. The list includes brand and generic names. Look on your prescription bottle for either the generic or brand name.

See the following page for a list of some drugs that are covered for a 90-day supply. For the most current list of drugs covered for a 90-day supply, visit [our website](#).

Advair Diskus	Hydralazine Tablet
Advair HFA Inhaler	Hydrochlorothiazide Tablet
Alendronate Sodium Tablet	Lisinopril Tablet
Amlodipine Besylate Tablet	Lisinopril Hydrochlorothiazide Tablet
Asmanex Twisthaler	Losartan Potassium Tablet
Atenolol Tablet	Losartan Hydrochlorothiazide Tablet
Atorvastatin Tablet	Metformin Hydrochloride ER Tablet
Benazepril Tablet	Metformin Hydrochloride Tablet
Bisoprolol Hydrochlorothiazide Tablet	Metoprolol Succinate Tablet
Budesonide Inhalation Solution	Metoprolol Tartrate Tablet
Carvedilol Tablet	Montelukast Sodium Tablet
Citalopram Hydrobromide Tablet	Paroxetine Hydrochloride Tablet
Clonidine Hydrochloride Tablet	Pravastatin Sodium Tablet
Dulera Inhaler	Prazosin Capsule
Enalapril Tablet	Propranolol IR Tablet
Escitalopram Tablet	Pulmicort Flexhaler
Flovent Inhaler	Quinapril Hydrochloride Tablet
Fluoxetine Capsules	Ramipril Tablet
Furosemide Tablet	Rosuvastatin Tablet
Glimepiride Tablet	Sertraline Hydrochloride Tablet
Glipizide ER Tablet	Simvastatin Tablet
Glipizide Tablet	Symbicort Inhaler
	Trazodone Tablet

If you take one of these medicines, ask your doctor if a 90-day prescription is right for you. If so, your doctor can write the prescription for 90 days. And you can pick up your medicine at your local pharmacy.

## Replace Stolen, Lost, or Damaged Drugs

When prescription drugs are stolen, lost, or damaged, replacement is allowed once per year. Here's what to do:

- When prescription drugs are stolen, you must make a police report for all stolen drugs. Then call Member Services.
- When prescription drugs are lost or damaged, call Member Services.

## In Case of Emergency

Here's what to do in emergency situations, such as using an out-of-network or out-of-state pharmacy. Or getting an emergency supply of a drug when you need it.

- You may use a pharmacy that is not in our network only if you have an emergency. If this happens, ask the pharmacist to call Highmark Health Options at 1-844-325-6251 so your drug will be covered.
- If you're out of state and have an emergency and need a prescription, call Member Services to make sure your drug is covered.
- You can ask for an emergency three-day supply of a drug if not getting the drug will cause loss of life, limb, or organ function. Highmark Health Options must approve this request. To request additional doses beyond the three-day emergency supply, your doctor should fax an [exception request](#) to Highmark Health Options. We will let your doctor know if we approve the request. If we do not approve the request, we will send you a letter that tells you why and how to appeal. ([Learn more about appeals.](#)) **Note:** You can ask for a three-day emergency supply once every 60 days for a specific drug.

## Exception Requests

To use a prescription drug that is not on the drug formulary, you or your doctor can request an exception. This means asking Highmark Health Options to cover the drug that is not on the formulary. If your request is approved, your drug will be covered. We will notify you and your PCP in writing if your exception request is approved or denied. If the request is denied, the written notice will tell you how to file an appeal. ([Learn more about appeals.](#))

## Pharmacy and PCP Lock-In Program

You may have a medical problem that requires your PCP and pharmacy to work together. If you need this coordinated care, you will be assigned to one PCP or one pharmacy to fill your prescriptions. This is called the lock-in program.

If you're locked into using a specific PCP or pharmacy, you must use only that PCP or pharmacy. Highmark Health Options will not cover the costs of your prescription drug if you use a different PCP or pharmacy. If the lock-in pharmacy does not have your drug, call Member Services to find out how to get the drug from a different pharmacy. Highmark Health Options must verify that your lock-in pharmacy does not have enough of the drug before you can get it from a different pharmacy.

Highmark Health Options will send you a letter if we believe you will benefit from the lock-in program. We will choose the PCP or pharmacy you visit the most or is or nearest to your home. If you disagree with our decision to include you in the lock-in program, you have the right to file an appeal. ([Learn more about appeals.](#))

# Wellness Programs

Highmark Health Options offers programs that are provided in addition to your standard Medicaid benefits. If you enroll in a wellness program, you always have the option to stop at any time. If you have questions, call Care Management at 1-855-401-8251. Or call the YMCA of Delaware Healthy Living Department at 1-302-572-9622.

## Diabetes Prevention Program

If you do not have type 2 diabetes and want to prevent it, this program may be right for you. From Highmark Health Options and the YMCA of Delaware, this free program is open to members age 18 and older who qualify. The program lasts for one year and can be done in person or online. A trained Lifestyle Coach will lead small group sessions to help you:

- Learn how to eat healthier.
- Increase physical activity.
- Lose weight.
- Overcome stress.
- Stay motivated.

## LEAN Program

This 12-week program from Highmark Health Options and the YMCA of Delaware can help you eat healthier, move more, and lose weight. This free program is open to members age 18 and older.

The program will help you understand and manage your weight:

- Learn simple ways to take care of your health that will help you live longer.
- Make better choices about diet and activity.
- Identify the tools you need to give you the best health and nutrition options.
- Learn how making smart choices may prevent you from having other health problems, like high blood pressure or diabetes.

**New!** Diabetes Prevention and LEAN Healthy Weight is now part of [Healthy Rewards](#).

You can earn up to \$220 in rewards for completing the Diabetes Prevention Program or LEAN Healthy Weight Program and losing weight.

# Programs for Long-Term Conditions

If you're managing a long-term condition, one of these programs may help. These programs are voluntary, and you always have the option to stop at any time. Call Care Management at 1-855-401-8251 to learn more.

## Asthma (age 2 and older)

If asthma symptoms interfere with your life, a Care Coordinator can help you manage your asthma. This can help make it possible for you to do the things you want to do.

## Chronic Obstructive Pulmonary Disease (COPD) (age 21 and older)

Living with COPD can be hard. A Care Coordinator can teach you how to handle your symptoms so you can be more active and enjoy life.

## Diabetes (any age)

A Care Coordinator can help you learn how to manage your diabetes. The focus is on managing blood sugar levels and stopping problems linked to diabetes, like heart disease, blindness, amputations, and kidney problems.

## Heart Disease or Heart Failure (age 21 and older)

A Care Coordinator is available to help you and your PCP manage your condition. Living a heart-healthy life can cut your chances of flare-ups and hospital stays.

## Stop Smoking or Vaping

Smoking and vaping can make chronic conditions worse. Stop smoking or vaping and stay away from second-hand smoke. Call the Delaware Quitline at 1-866-409-1858.

# What Do You Need to Do? Here's How.

Here's a summary of who to call when you have specific questions. If you don't find the answer you need here, call Member Services.

## Add or Stop Coverage for a Member

Call both Member Services and the Delaware Social Services (DSS) Change Report Center (1-302-571-4900) if you have a new baby or need to add a new member to your family. (If you do not call both, your new family member's insurance may be delayed.) Call both if you need to stop coverage for a Highmark Health Options member who has moved out of your home.

## Report the Death of a Member

Call both Member Services and the DSS Change Report Center (1-302-571-4900).

## Move Outside Delaware or the U.S.

Call the DSS Change Report Center at 1-302-571-4900.

## Change Your Address

Call the DSS Change Report Center at 1-302-571-4900.

## Change Your PCP for Any Reason

Call Member Services if you want to change your PCP for any reason. A representative will make the change for you. At the beginning of the next month, you will get an updated ID card in the mail. It will include your new PCP's name and phone number.

Find a complete listing of network PCPs in the [Provider Directory](#) on our website. Or ask Member Services to mail a directory to you. Each listing includes the physician's name, address, phone numbers, specialty, and board certification status. A PCP's education, residency, and qualifications can be provided upon request when you call Member Services.

## Change Your Health Plan

Call the Health Benefits Manager at 1-800-996-9969. You can change your health plan during:

- The 90 calendar days after you're first enrolled in Medicaid.
- The Annual Open Enrollment period, from Oct. 1 to Oct. 31.

## Change Your Care Coordinator

Call a Member Advocate at 1-855-430-9852. You can ask for a new Care Coordinator if you're unhappy with the person working with you. We will assign a new Care Coordinator who fits your needs the best. If we cannot give you a new Care Coordinator, we will tell you why, and we will address any problems or concerns you have. We may need to change your Care Coordinator if your Care Coordinator no longer works with us. If this happens, your new Care Coordinator will contact you.

## Get a Ride

To get a ride to a health care visit, call ModivCare at 1-866-412-3778. Book three days in advance. Give your Highmark Health Options ID number and say where you're going when you call. Because you must plan your ride in advance, you cannot use ModivCare during an emergency. Call 911 during an emergency.

You can also use our new free transportation service for rides to places other than a health care visit. This can include the pharmacy, grocery store, community events, health and wellness activities, and more. To schedule a ride, call Member Services.

## Report a Problem with a Caregiver

When you're in the care of a caregiver, let us know if something is wrong. You have the right to report certain actions. The actions listed below are called critical incidents. Call Member Services to report a caregiver who has:

- Not met basic needs, like food, medicine, and supervision.
- Injured you or caused emotional distress.
- Forced or tricked you into sexual activity.
- Taken money or medicine.
- Used a credit card without permission.
- Caused a severe injury, like a broken bone, deep cut, or serious burn.
- Been unprofessional. This includes yelling or refusing to do their job.

## Transfer Your Medical Records to Your New PCP

When you switch to a new PCP, it's very important that you call Member Services to ask for your medical records to be sent to your new PCP. Records are transferred within 10 calendar days of your request. You can also request a copy of your medical records for your own use.

## Request Medical Records for Your Own Use

Call Member Services to request your medical information. You have a right to:

- Ask for your medical information.
- Change your medical information if you can show that it is wrong or that information is missing. If we disagree, we may not be able to honor the request to change your records, but we will tell you why in writing within 60 calendar days. If we cannot change your records, you may have a statement of your disagreement added to your personal medical information.
- Get a list of who received your medical information within a six-year period. You must tell us the dates for the records you're requesting.

Records may not include information that was given to you or your personal representative, or information given for health care payments for our operations or for law enforcement needs.

## Report a Concern About Your Care

Call a Member Advocate at 1-855-430-9852 or Member Services if you have a concern about your care. It may be a Quality of Care concern. Examples include concerns about your safety or access to services.

## Request Other Information

Call Member Services if you would like any information about Highmark Health Options or your provider, such as:

- The education your doctor has completed.
- Who sits on the Board of Directors.
- Plans to improve care and services through our Quality Improvement program.

## Tell Us If You Get a Bill

Call Member Services with the billing information. Delaware Medicaid providers cannot charge you for services that Highmark Health Options covers. If you get a bill from your PCP or the hospital by mistake, do not pay the bill. You're not responsible for sending in claims to us. Your PCP or the hospital will do that.

## Ask Why Your Membership Stopped

Call DSS Customer Relations at 1-800-372-2023. Medicaid may stop your membership with Highmark Health Options. This is called disenrollment. Your membership may end because you:

- Did not re-enroll.
- Gave your Medicaid ID card to someone else to use.
- Lost eligibility for Medicaid.
- Had a change in your Medicaid benefits that keeps you from being covered by Highmark Health Options.

# Your Rights and Responsibilities

## Your Rights

- Learn about your rights and responsibilities.
- Get the help you need to understand this Member Handbook.
- Learn about us, our services, doctors, and other health care providers.
- See your medical records as allowed by law.
- Have your medical records kept private unless you tell us in writing that it is OK for us to share them or it is allowed by law.
- All facts from your doctor of any information about your medical condition, treatment plan, or ability to look at and offer corrections to your own medical records.
- Be part of honest talks about your health care needs and treatment options no matter the cost and whether your benefits cover them. Be part of choices that are made by your doctors and other providers about your health care needs.
- Be told about other treatment choices or plans for care in a way that fits your condition.
- Get news about how doctors are paid.
- Find out how we decide if new technology or treatment should be part of a benefit.
- Be treated with respect, dignity, and the right to privacy all the time.
- Know that we, your doctors, and your other health care providers cannot treat you in a different way because of your age, sex, race, national origin, language needs, or degree of illness or health condition.
- Talk to your doctor about private things.
- Have problems taken care of fast, including things you think are wrong, as well as issues about your coverage, getting an approval from us, or payment of service.
- Be treated the same as others.
- Get care that should be done for medical reasons.
- Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience, or retaliation.
- Choose your PCP from the PCPs in our Provider Directory that are taking new patients.
- Use doctors who are in our network.
- Get medical care in a timely manner.
- Get services from doctors outside our network in an emergency.
- Refuse care from your PCP or other caregivers.
- Be able to make choices about your health care.
- Make an Advance Directive (also called a living will).
- Tell us your worries about Highmark Health Options and the health care services you get.

- Question a choice we make about coverage for care you got from your doctor.
- File a complaint or an appeal about Highmark Health Options, any care you get, or if your language needs are not met.
- Ask how many grievances and appeals have been filed and why.
- Tell us what you think about your rights and responsibilities and suggest changes.
- Ask us about our Quality Improvement program and tell us how you would like to see changes made. Ask us about our utilization review process and give us ideas on how to change it.
- Know that we only cover health care services that are part of your plan.
- Know that we can make changes to your health plan benefits as long as we tell you about those changes in writing.
- Ask for this Member Handbook and other member books and brochures in other formats such as other languages, large print, audio CD, or Braille at no charge to you.
- Ask for an oral interpreter and translation services at no cost to you.
- Use interpreters who are not your family members or friends.
- Know you are not responsible if your health plan becomes bankrupt (broke).
- Know your provider can object to the denial of service if you agree.
- Know that you can request a copy of the Member Handbook at any time. You will be told every year of your right to request a Member Handbook.
- You can get a list of network providers that includes the following details about the doctors: name, specialty, hospitals the doctor can visit, education, language spoken, gender, and office location.

## Your Responsibilities

- Tell us, your doctors, and other health care providers what they need to know to treat you.
- You can ask us to correct your health and claims records if you feel they are incorrect or incomplete. We may say “no” to your request, but we will tell you why in writing within 60 calendar days. If we cannot change your records, you may have a statement of your disagreement added to your personal medical information. If you would like to make a request, call Member Services at 1-844-325-6251.
- Learn as much as you can about your health issue and work with your doctor to set up treatment goals you agree on with your doctor.
- Ask questions about any medical issue and make sure you know what your doctor tells you.
- Follow the care plan and orders that you have agreed on with your doctors or other health care professionals.
- Do the things that keep you from getting sick. Make and keep medical appointments and tell your doctor at least 24 hours in advance when you cannot make it.
- Always show your member Highmark Health Options ID card and Delaware Medicaid card when you get health care services.

- Use the emergency room only in cases of an emergency or as your doctor tells you.
- If you owe a copay to your pharmacies, pay at the time the services are received.
- Tell us right away if you get a bill that you should not have gotten or if you have a complaint.
- Treat all Highmark Health Options staff and doctors with respect and courtesy.
- Know and follow the rules of your health plan.
- Know that laws guide your health plan and the services you get.
- Know that we do not take the place of workers' compensation insurance.
- Tell the DHSS Change Report Center and us when you change your address, family status, or other health care coverage.
- If a minor becomes emancipated, or legally freed from control by his or her parents (over the age of 16), or marries, he or she shall be responsible for following all Highmark Health Options member guidelines set forth above.

# Grievances and Appeals

We want you to be happy with the health care and service you get. Let us know if a doctor, hospital, or we do something that you're unhappy about. We will try to fix any problems over the phone. If you do not like something or we cannot fix your problem, you can file a grievance or an appeal.

## How to File a Grievance or Appeal

Call Member Services if you need help or have questions about how to file a grievance or appeal. You cannot be punished for filing a grievance or appeal. You can have someone file an appeal for you or speak for you. If you want to have someone file an appeal or speak for you, we will need to have your approval in writing.

You or your representative can get help with a grievance or appeal by asking for a Member Advocate. A Member Advocate can help you:

- File your grievance or appeal.
- Help you through the grievance or appeal process.
- Answer your questions about the grievance or appeal process.
- Help you get additional information from your doctor to help with your grievance or appeal.

## Grievances

A grievance is a statement of unhappiness, like a complaint, and can either be filed in writing or verbally over the phone. A grievance can be about any service you received from a doctor or us.

**Note:** Do not file a grievance if you have received a denial of benefits for health care service. Those matters are handled as appeals. Find information about how to file an appeal below.

Some examples of a grievance are:

- If a provider or our employee was rude to you.
- If you feel a provider or we did not respect your rights as a member of our plan.
- If you have a problem with the quality of care or service you have received.
- If you have trouble finding or getting services from a provider.

You can send or attach any papers to the grievance form that will help us look into the problem. You can find the [grievance form](#) on our website.

You can contact us at:

Appeals and Grievances  
P.O. Box 106004  
Pittsburgh, PA 15230  
Phone: 1-855-401-8251

## How do you file a grievance?

A grievance may be filed at any time. You can talk to us or write to us.

## What happens after you file a grievance?

After you file a grievance, we will send you a letter within 5 business days. This letter will tell you that we have received your grievance. It will include information about the grievance process and your rights, including your right to:

- Appoint a representative to act on your behalf.
- Submit additional information.
- Review or request a copy of all documentation regarding the grievance upon request, free of charge.

Your grievance will be reviewed by one of our staff members who has not been involved with your grievance but knows the most about your issue. A decision will be made within 30 calendar days after we receive your grievance. After a decision is made, a decision letter will be mailed to you. This letter will tell you the reason(s) for the decision.

## What if you need help during the grievance process?

If you need help filing a grievance, understanding the grievance process, or getting information for us to review, call a Member Advocate at 1-855-430-9852 or Member Services.

## Appeals

If you are informed of a denial of benefits, you can file an appeal. **An appeal gives you a chance to say why you disagree with a denial of benefits.**

A denial of benefits means:

- You have been denied a service you asked for.
- The service you asked for has been limited.

When you receive a letter telling you that your request for services is denied, you have the right to ask for an appeal. The appeal process is a review of the decision to deny or limit the service you asked for. This includes:

- Type or level of service.
- Reduction, suspension, or termination of a service.
- Denial in whole or in part of payment for a service.
- Failure to provide a service in a timely manner.

You can win or lose the appeal. If you lose the appeal, you can appeal a second time by asking for a [State Fair Hearing](#).

If you are denied benefits, you or your representative may ask for a copy of the rules used to make the decision by calling 1-855-401-8251 or TTY 711 or 1-800-232-5460 or by writing to:

Highmark Health Options  
Attn: Appeals and Grievance  
P.O. Box 106004  
Pittsburgh, PA 15230

**Note:** Highmark Health Options does not reward health care providers for delaying, limiting, or denying health care services or benefits. Our staff does not get paid from Highmark Health Options or any other provider for making decisions about benefits or medically necessary services that result in less or more health care coverage and services.

## Read This If You Want to File an Appeal

You or your representative, including an attorney, can ask for an appeal from Highmark Health Options if you disagree with a denial. If a representative or doctor files an appeal for you, you must give them your approval in writing. If a representative or doctor files an appeal for you, you cannot file a separate appeal on your own. You have the right to submit written comments, documents, or other information about to the appeal.

### How can you file an appeal?

- By filling out the appeal form that came with your letter and mailing it back.
- By filling out the [appeal form](#) online.
- By calling Member Services.

When you file your appeal, include:

- Your name and member ID number (found on your ID card).
- Your phone number and address.
- What you are appealing.
- Why you are appealing.
- What you want as a result of your appeal.

Use this address. Include any information that will help us review your appeal:

Highmark Health Options  
Appeals and Grievances  
P.O. Box 106004  
Pittsburgh, PA 15230  
Phone: 1-855-401-8251

### When should you file an appeal?

You or your representative must file your appeal within 60 calendar days of the date of the Notice of Adverse Benefit Determination letter. This is the letter that tells you a service was denied or limited.

## What can you do to continue getting services during the appeal process?

You may ask to continue to receive services during the appeal process if:

- You file the request for the appeal on time.
- We are ending, suspending, or reducing services that were approved before.
- The services were ordered by a doctor.
- The original time period covered by the original authorization has not run out.
- You ask to continue receiving services within 10 calendar days of us sending the Notice of Adverse Benefit Determination.

If we continue your services during the appeal process, we will cover these services until:

- You or your representative withdraw the appeal.
- You or your representative fail to request a State Fair Hearing and continue getting services within 10 calendar days of us sending the Notice of Adverse Benefit Determination.
- You receive a decision from the State Fair Hearing officer that was not in your favor.

## What happens after you file an appeal?

You will get a letter from us within 5 business days. This letter will tell you that we have received your appeal. It will also include information about the appeal review process. You may have someone represent you. You or your representative may submit additional information and ask to look over all documents for the appeal.

You may also request a copy of the information used to review your appeal free of charge. In addition, you or your representative have the right to give additional information in person at the time of the appeal hearing, in writing, by phone, or by fax to 1-833-841-8074.

An Appeals Committee will review your appeal and make a decision. The committee members include a representative of the State, a physician, and a representative from our Quality Department or their designee. The committee members have not been previously involved with the issue of your appeal.

You or your representative may extend the time frame for making the appeal decision for up to 14 calendar days. We may also extend the time frame for decision up to 14 calendar days if additional information is necessary and the delay is in your best interest. If we extend the time frame, we will call you and send you a written notice with the reason for the delay.

A decision letter will be mailed to you within 30 calendar days of the date you filed your appeal or within 2 business days of the decision, whichever is sooner. This letter will tell you the reason for our decision and your further appeal rights. This includes your right to ask for a [State Fair Hearing](#).

## What if you need help during your appeal?

If you need help filing an appeal, figuring out the appeal process, or getting information for us to review, call a Member Advocate or Member Services. If you need a translator, we will arrange one for you at no cost.

## What if you do not agree with our appeal decision?

If you do not agree with our decision, you or your representative may ask for a [State Fair Hearing](#).

## How can you get help to understand our appeal decision?

You have the right to receive help with understanding this decision. You can:

- Speak with a Highmark Health Options Member Advocate or Member Services Representative by calling 1-855-401-8251 (TTY 711 or 1-800-232-5460).
- Call one of the following community organizations for free legal assistance:

Community Legal Aid Society Inc.  
New Castle County: 1-302-575-0660  
Kent County: 1-302-674-8500  
Sussex County: 1-302-856-0038

Delaware Volunteer Legal Services  
New Castle County: 1-302-478-8850  
(toll-free)  
Kent and Sussex County: 1-888-225-0582

## Expedited (Fast) Appeals

### What should you do if you need a decision in less than 30 days?

If you think that waiting up to 30 calendar days for an appeal decision could cause you serious health concerns, you or your representative may ask for an expedited (fast) appeal.

You, your representative, or doctor can ask for a fast appeal by talking or writing to us. If we agree that you should get an appeal decision faster, you will receive a decision within 72 hours. If we do not agree, we will tell you by phone within 2 calendar days of getting your request that your appeal will follow the standard appeal process. You will also receive a letter stating your appeal will be processed as a standard appeal. It will also include information about the appeal review process.

You or your representative may submit additional information and may ask to look over all documents for the appeal. You may also request a copy of the information used to review your appeal free of charge. You or your representative have the right to give additional information in person at the time of the appeal hearing, in writing, by phone, or by fax:

Highmark Health Options  
Appeals and Grievances  
PO. Box 106004  
Pittsburgh, PA 15230  
Phone: 1-855-401-8251  
Fax: 1-833-841-8074

### What happens after you file a fast appeal?

You, your representative, or doctor may:

- Submit additional information.
- Look over all papers regarding the appeal upon request free of charge.

An Appeal Committee will review your appeal and make a decision. The Appeal Committee members include a representative of the State, a physician, and a representative from our Quality Department or their designee. The committee members have not been involved with the issue of your appeal.

You will be verbally notified of a decision within 72 hours of the date you filed your fast appeal. The letter will tell you the reason for the decision and your further appeal rights. This includes the right to ask for a State Fair Hearing.

## State Fair Hearing

A State Fair Hearing is an appeal process given by the State of Delaware. You may ask for a State Fair Hearing after receiving notice of the appeal decision.

### Why do you get a State Fair Hearing?

You or your representative may ask for a State Fair Hearing if:

- We have denied, suspended, terminated, or reduced a service.
- We have delayed service.
- We have failed to give you timely service.

You can ask for a State Fair Hearing by contacting:

DMMA Fair Hearing Officer  
1901 North DuPont Highway  
P.O. Box 906  
New Castle, DE 19720  
Phone: 1-302-255-9500 or toll free at 1-800-372-2022

### When should you file a State Fair Hearing?

If you or your representative are not happy with an appeal decision, you may ask for a State Fair Hearing within 90 calendar days of the date on the Appeal Notice of Resolution.

### What happens after you file a State Fair Hearing?

You or your representative will get a letter from the State Fair Hearing officer that will tell you the date, time, and place of the hearing. The hearing can be held in person or by phone. The letter will also tell you what you need to know to get ready for the hearing.

You or your representative may review all papers regarding the State Fair Hearing. We will also have a representative at a State Fair Hearing.

The DMMA State Fair Hearing officer will send you a letter with their decision within 90 calendar days of the date of your request. If you request a fast State Fair Hearing, they will send you a letter within 3 business days of the date of the hearing.

### How do you continue getting services during the State Fair Hearing process?

If you were previously authorized and getting services that we are now terminating, suspending, or reducing, you may ask to continue getting services if:

- You file a State Fair Hearing within 10 calendar days of the date on the Appeal Notice of Resolution.
- You file for a State Fair Hearing on or before the effective date of the proposed action.
- The services were ordered by a doctor.
- The original time period covered by the original authorization has not run out.

If we continue your services during the State Fair Hearing process, we will continue to cover these services until:

- You get the State Fair Hearing decision.
- You or your representative withdraw the State Fair Hearing.
- The time period or service limits you were previously authorized for has been met.

**It is important to know that you may have to pay for the services you received while your State Fair Hearing was being decided if the final decision is not in your favor.** If the decision was in your favor, Highmark Health Options will arrange for these services right away.

### What if you do not like the State Fair Hearing decision?

If you or your representative are unhappy with the State Fair Hearing decision, you can ask for a judicial review in Superior Court. To do this, you must file with the clerk (prothonotary) of the Superior Court within 30 calendar days of the date of the State Fair Hearing decision.

# Fraud, Waste, and Abuse

Highmark Health Options takes fraud, waste, and abuse involving medical or pharmacy benefits seriously.

Call the Highmark Fraud and Abuse Hotline at 1-844-325-6256 if you think that someone is using your or another member's Highmark Health Options ID card to:

- Get services, equipment, or medicine.
- Forge or change their prescriptions.
- Get services they do not need.

You can report any provider (for example a doctor, dentist, therapist, or hospital) you suspect of providing services that are fraudulent, wasteful, or abusive. Your name will be kept private. You do not have to give your name. If you do, the provider will not be told you called.

You can use this hotline to report any activity you think is fraudulent, wasteful, or abusive. Each call we receive will be reviewed and investigated.

You may also report this information to DMMA Fraud Reporting at 1-800-372-2022 or [SURreferrals@delaware.gov](mailto:SURreferrals@delaware.gov).

Some common examples of fraud, waste, and abuse are:

- A doctor who bills you or makes you pay cash for services that your health plan covers.
- A person who is not a Highmark Health Options member using a member's identification card.
- A doctor who is billing for services that you did not get.
- A person who moves to another state but keeps using a Highmark Health Options member Identification card.
- A doctor who gives you medicines that you do not need or gives you too much.
- A doctor or staff person who offers you gifts or money to get services if you give them your Medicaid number.
- A doctor who gives you services that you do not need.
- Physical, mental, or sexual abuse by medical staff.

Our Fraud Hotline is available 24/7. If you do not speak English, an interpreter will be made available. Call the hotline using your TTY device if you're hearing impaired.

# Mental Health, Drug, and Alcohol Crisis Services

Call Mobile Crisis Intervention Services for help if you are having a mental health or drug or alcohol crisis:

- Northern Delaware (New Castle County and greater Smyrna), 1-800-652-2929 or 1-302-577-2484
- Southern Delaware (Sussex County and Kent County south of Smyrna), 1-800-345-6785 or 1-302-424-5550
- For children and teens under age 18, call the Division of Prevention and Behavioral Health Services 24-Hour Mobile Response and Stabilization Services, 1-800-969-4357 or 1-800-969-HELP.

Crisis Intervention Services are located throughout the state. You can call or go to:

- Crisis Intervention Service Centers
- Recovery Response Centers
- Hospital Emergency Departments

Crisis Intervention Service staff are available 24 hours a day to help people with severe personal, family, or marital problems. These problems may include depression; major life changes, such as unemployment or loss of an important relationship; anxiety; feelings of hopelessness; thoughts of suicide; delusions; paranoia; and substance use disorder.

Call or go to the crisis intervention location closest to you.

# Notice of Privacy Practices

This notice describes how health and financial information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Highmark Health Options (“Highmark Health Options”) is required by law to protect the privacy of your health information and nonpublic personal (financial) information. This protection extends to all forms of communication (oral, written, and electronic) of this information. Also, Highmark Health Options is required to give you this notice about how it uses or shares (“discloses”) your health and personal (“nonpublic”) information. We are required to notify you if you are affected by a breach of unsecured health information.

To provide services to you, Highmark Health Options will share your health information with:

- You or someone who acts for you.
- Doctors and health care providers who care for you.
- Our contracted vendors who help us provide services to you (such as member services support and pharmacy benefit management).
- Government programs, such as Medicare and Medicaid, to manage your benefits and payments.
- State and federal agencies that have the legal right to receive such data.
- The Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected.

Highmark Health Options will use your health information to:

- Coordinate and manage your care.
- Determine your eligibility for your plan benefits.
- Pay for your health care.
- Contact you about new or changed benefits.
- Contact you for appointment reminders, medication management, or disease management programs and alternative treatments that may interest you.
- Check the quality of our services and make improvements where required.
- Complete medical reviews.
- Arrange legal services, audit services, and fraud and abuse detection programs.
- Plan and carry out our business activities, management, and general administration.
- Give you information about health-related benefits and services that may be of interest to you.

Highmark Health Options may also use or share your health information:

- For public health activities (such as reporting disease outbreaks; child abuse and neglect; reporting; preventing or controlling disease, injury, or disability).
- For government health care oversight activities (such as fraud investigations, audits, and activities related to oversight of the health care system).
- For judicial and administrative proceedings (such as in response to a court order).
- For law enforcement purposes or when required by law, for example, locating a suspect, fugitive, material witness, or missing person; complying with a court order or subpoena; and other law enforcement purposes.
- For purposes of national security.
- To comply with workers' compensation or similar laws.
- For research studies that meet all privacy law requirements, such as research related to the prevention of disease or disability.
- To avoid a serious and likely threat to health or safety.
- To create a collection of information that can no longer be traced back to you.
- To group health plans, to coordinate plans, and to permit the plan to administer benefits.
- To coroners, medical examiners, funeral directors, and organ donations.
- To your school when proof of immunization is required by law.
- To others involved in your health care (if you are not present or able to agree to these disclosures of your health information, we may use our professional judgment to determine whether the disclosure is in your best interest).
- For underwriting purposes, if needed; however, we are not allowed to use or share your genetic information to decide whether coverage can be given or at what price.

## Marketing

If we receive compensation from another company for providing you with information about other products or services (other than drug refill reminders or generic drug availability), we will obtain your authorization to share information with this other company.

## Sharing Information for Other Purposes

Highmark Health Options must have your written permission (an "authorization") to use or give out your health and claims information for any purpose that is not listed in this notice. Giving us permission to use or give out your health and claims information will not be a condition for getting health care and will not be used to determine your eligibility for enrollment or benefits, or for paying claims. You may take back ("revoke") your written permission at any time, except if Highmark Health Options already took action based on your permission.

Some examples of when we need your permission to use or give out your information are:

- For fundraising.
- For selling your protected health information (PHI).

You have the right to:

- Get a copy of your health and claims information. You can ask to see or get a copy of your health or claims records and other health information we have about you. We will provide a copy or a summary of your health or claims records within 30 days of your request.
- Ask us to correct health and claims records. You can ask us to change your health and claims records if you feel they are incorrect or incomplete. We may say no to your request, but we will tell you why in writing within 60 days. If Highmark Health Options cannot change your records, you may have a statement of your disagreement added to your personal medical information.
- Get a list of those with whom we've shared information. You can ask for a list (called "an accounting") of the times we have shared your health information within the last six (6) years. You must tell Highmark Health Options the dates for which you are requesting the list. The list will not cover information that was given to you or your personal representative, or information given for health care payments, for Highmark Health Options business operations, or for law enforcement needs.
- Request confidential communications. You can ask us to contact you in a specific way, for example, on a home or office phone or at a different address. We will consider all reasonable requests and must say yes if you tell us you would be in danger if we do not.
- Ask us to limit what we use or share. You can ask us not to share certain health information for treatment, payment, or our operations. We are not required to agree to your request, and we may say no if it would affect your care.
- Choose someone to act for you. If you have given someone medical power of attorney, or if someone is your legal guardian, that person can act for you and make choices about your health information. We will make sure the person has this authority before we take any action.
- Get a copy of this privacy notice. Contact us for a separate paper copy or email copy of this notice.

What is the nonpublic information that Highmark Health Options collects and shares about you?

- It is personal information but is nonmedical, such as the information you completed on your enrollment application that identifies who you are and how you can be contacted.
- It is information collected for a request for services by you or your doctor.
- It is information collected to answer a question or concern from you.

With whom does Highmark Health Options share your nonpublic information?

- With health care providers, for example, physicians, hospitals, long-term care agencies, durable medical equipment providers, and pharmacies.
- With those who plan your benefits and your care, for example, for utilization reviews, external reviews, and case management.

## How does Highmark Health Options protect your nonpublic information?

- Highmark Health Options does not make your nonpublic information available to anyone other than those necessary to provide medical or health plan services to you.
- Highmark Health Options does not give out your nonpublic information, except if required or permitted by law.
- Highmark Health Options does not give out your nonpublic information to anyone unrelated to providing your care under the health plan unless you or your representative gives permission.
- You have the right to give or withhold permission for other uses or disclosures of this information, except as required by law.

## Questions and Complaints

If you have a question about this notice or believe Highmark Health Options has violated your privacy rights as stated in this notice, you can file a complaint by writing to:

### Privacy Office

Highmark Health Options  
P.O. Box 1991  
Wilmington, DE 19899-8835

For more information on filing a complaint or your rights stated in this notice, you may call Member Services at 1-855-401-8251 (TTY users: 711 or 1-800-232-5460). Filing a complaint will not affect your benefits. Translations services are available at no cost to you.

You may also file a complaint with the Secretary of the Department of Health and Human Services:

## Change to the Terms of this Notice

Highmark Health Options is required to follow the terms in this privacy notice. Highmark Health Options has the right to change the way your medical information is used and given out and to apply those changes to all the information we maintain about you. If Highmark Health Options makes any material changes, they will be posted on our website, and you will be notified within 60 days of the change.

The initial privacy practices were effective April 14, 2003. These privacy practices have been revised as of Jan. 1, 2022.

If you have questions about Medicaid, call Delaware Medicaid Customer Relations at 1-866-843-7212 or 1-302-571-4900.

# Important Words to Know

Below are terms to know. You may hear these terms when you call Member Services. Or you may see these terms in letters that you get from Highmark Health Options.

In these entries, the term “the plan” refers to Highmark Health Options and the term “member” refers to the people covered by the plan.

**Abortion:** A procedure to end a pregnancy.

**Advance directive (living will):** A choice you make ahead of time about the medical care you want or do not want if you’re unable to decide at the time you need it. In Delaware, two documents can be used as an advance directive:

- **Durable power of attorney for health care:** A legal document that lists the person you’ve chosen to make decisions about your health care in case you can’t make your own decisions.
- **Living will:** If you’re no longer able to decide or speak for yourself, this written document records the type of medical care or treatments you want or do not want.

**Adverse benefit determination:** A denial, reduction of, or failure to provide a requested service or make payment, in whole or in part, for a benefit. This can be based on a determination of eligibility, application of utilization review, or medical necessity.

**Ambulatory service center:** A facility where outpatient or same-day surgery is done.

**Antibody:** A protein produced by the body’s immune system when it detects harmful substances called antigens.

**Antigen:** Any substance that causes the immune system to produce antibodies against it. This means the immune system does not recognize the substance and is trying to fight it off.

**Appeal:** A request for the plan to review a decision to deny or reduce a benefit.

**Authorization:** Approval for a service.

**Authorized representative:** Someone you choose to act on your behalf, like a family member or other trusted person. An authorized representative may have the lawful right to act on your behalf.

**Behavioral health:** Term for mental health conditions and substance use disorders (involving addiction to a mood- or mind-altering drug). Also refers to preventing and treating substance use disorders (illness that disrupts normal physical or mental function) as well as mental health disorders.

**Benefits:** The health care services or items covered under the plan.

**Brand-name drugs:** If a drug completes development and is approved by the Food and Drug Administration (FDA), it is approved with both a brand and generic name. The brand name is the name given by the company that makes the drug.

**Care Coordinator:** A health care professional who is specifically assigned and trained to intervene on behalf of members experiencing serious and complex medical and psychosocial issues.

**Caregiver:** A person who is a family member or is unrelated to the member and is routinely involved in providing unpaid support and assistance to the member.

**Certified nurse midwife:** A registered nurse with additional training as a midwife who delivers babies, cares for the mother before and after the baby is born, cares for the baby, and provides routine care (such as gynecological exams).

**Community Support:** The Highmark Health Options online web-based search site that helps you get the support you need. Link to local resources that provide goods and services, such as food banks, shelter and housing, childcare, clothing and furniture, legal assistance, transportation assistance, pastoral care, and financial assistance with utilities.

**Contractor:** Highmark Health Options is the managed care organization that contracts with the State of Delaware to provide services to members as specified by the contract in accordance with contract requirements.

**Copays or cost sharing:** A set cost you need to pay to receive a covered benefit at the time of service.

**Covered services:** The physical and behavioral health services included in the benefit package of the managed care contract between the Department of Health and Social Services (DHSS) and Highmark Health Options.

**Department of Social Services (DSS) Change Report Center:** The Change Report Center makes it easy for you to ask questions, resolve issues, and report changes, such as address changes, income changes, changes in household expenses, and the addition of newborns. The phone number is 1-302-571-4900.

**Disenroll/Disenrollment:** When you change health plans or no longer meet eligibility requirements.

**Division of Health and Social Services (DHSS):** The State of Delaware government department with divisions that provide services in the areas of public health, social services, substance abuse and mental health, child support, developmental disabilities, long-term care, visual impairment, aging and adults with physical disabilities, state service centers, management services, financial coaching, and Medicaid and medical assistance.

**Division of Medicaid and Medical Assistance (DMMA):** The Delaware agency that manages Medicaid.

**Division of Social Services (DSS):** The agency directly responsible for determining Medicaid eligibility and administering these programs: Delaware's temporary assistance for needy families (TANF), food benefits, subsidized childcare, general assistance, and refugee cash assistance.

**Division of Substance Abuse and Mental Health (DSAMH):** Part of the Department of Health and Social Services (DHSS) that serves adults (age 18 and older) in need of behavioral health services. DSAMH includes the Delaware Psychiatric Center (DPC), a variety of community-based mental health programs, and substance abuse treatment programs.

**Drug Efficacy Study Implementation (DESI):** A Food and Drug Administration (FDA) program that requires that all drugs be effective (efficacious) as well as safe. Drugs coded as DESI are not covered by the Medicaid program.

**Drug formulary:** A preferred drug list of medicines that are approved to be prescribed at a particular hospital, in a specific health system, or under a particular health insurance policy. Drugs are chosen based on success, safety, and cost-effectiveness.

**Durable medical equipment (DME):** Equipment and supplies your doctor orders as part of your health care.

**Emergency medical condition:** A medical problem so serious you must seek care right away to avoid severe harm:

- Places your health (or the health of your unborn child) at serious risk.
- Harms the function of your body.
- Harms the function of a body part or organ.

**Emergency medical transportation:** The ambulance that takes you to the hospital in an emergency.

**Emergency department care:** The services you get in an emergency department to treat an emergency medical condition.

**Emergency services:** Treatment of an emergency medical condition to keep it from getting worse.

**Enrollment:** The process by which you become a member of a managed care organization (MCO).

**Excluded services:** Health care services that your plan may not pay for or cover.

**Family member:** Includes your spouse, domestic partner, parents (including stepparents), children (natural or adopted), stepchildren, grandchildren, great-grandchildren, brothers and sisters (whole or half), grandparents and in-laws, or anyone living in the same residence as you. Also includes anyone who is financially dependent on you or anyone whose investments are controlled by you.

**Food and Drug Administration (FDA):** The federal agency responsible for protecting and promoting public health through the control and supervision of food safety, tobacco products, dietary

supplements, prescription and over-the-counter pharmaceutical drugs (medications), vaccines, biopharmaceuticals, blood transfusions, medical devices, electromagnetic radiation emitting devices, cosmetics, animal foods and feed, and veterinary products.

**Fraud, waste, and abuse:** Includes when providers purposely bill for a service that was never given or for a service that has a higher reimbursement than the service provided. Also includes payment for items or services the provider bills by mistake.

**General Educational Development (GED):** GED tests are four subject tests that, when passed, provide certification that the test taker has high school-level academic skills. It is an alternative to the U.S. high school diploma.

**Generic drug:** A prescription drug that has the same substance as an already sold brand-name drug. It has the same intended use and quality. It is as safe and given in the same amount, strength, and manner (for example, by mouth).

**Grievance:** A complaint that you make to your plan about how you feel about your health care.

**Habilitation devices and services:** Health care devices and services that help you keep, learn, or improve skills and functioning for daily living.

**Health care provider:** Any doctor, hospital, agency, or other person who has a license or is approved to give health care services.

**Health care services:** All Medicaid services, including medical and behavioral health, provided by Highmark Health Options.

**Health insurance:** A contract that requires your plan to pay some or all of your health care costs.

**Health Insurance Portability and Accountability Act (HIPAA):** Privacy rules that require health care providers and organizations, as well as their business associates, to have and follow procedures that safeguard the privacy and security of protected health information (PHI) when it is transferred, received, handled, or shared. This applies to all forms of PHI, including paper, oral, and electronic, etc. The rule also requires that the least amount of necessary health information be used or shared to conduct business.

**Home health care:** Health care services you receive at home.

**Homeopathic:** An alternative approach to medicine based on the belief that natural substances, prepared in a special way and used in very small amounts, can restore health.

**Hospice services:** Services to provide comfort and support for people who are terminally ill and their families.

**Hospital:** A place for inpatient and outpatient care from doctors and nurses.

**Hospital outpatient care:** Hospital care that usually doesn't require an overnight stay.

**Hospitalization:** Hospital care for which you're admitted and usually stay overnight. An overnight stay for observation could be outpatient care.

**Human immunodeficiency virus infection and acquired immune deficiency syndrome (HIV/AIDS):** HIV is a virus that attacks cells that help the body fight infection, making a person more vulnerable to other infections and diseases. AIDS is a disease of the immune system due to infection with HIV.

**Immune system:** The body's defense against infections that attacks germs and helps you stay healthy.

**Immunization:** A shot that protects you from disease. Also called a vaccination.

**In-network:** Providers or health care facilities that are part of Highmark Health Options' network of providers. Also known as in-network providers or participating providers.

**Inpatient care:** Staying overnight in the hospital or other facility for medical care.

**Level of care (LOC):** The type of services and supports required by a member based on the member's medical and functional needs. This includes these levels of care: acute hospital, rehabilitation, and skilled nursing facility.

**Long-term services and supports (LTSS):** Medical and nonmedical care provided to people who are unable to perform basic activities of daily living (ADLs), such as dressing or bathing. LTSS can be provided at home or in the community, assisted living facilities, or nursing homes.

**Malpractice:** Medical malpractice occurs when a hospital, doctor, or other health care professional, through a negligent act or omission, causes an injury to a patient.

**Managed care organization (MCO):** An organization, such as Highmark Health Options, that meets requirements and is under contract with the State of Delaware to provide services to members enrolled in Medicaid.

**Medicaid:** Medicaid is a joint federal and state program that helps with medical costs for some people with limited income and resources.

**Medicaid long-term care:** Offers benefits not usually covered by Medicare, like nursing home care and personal care services.

**Medically necessary:** Health care services or supplies that meet medical standards and help to identify or treat an illness, injury, condition, and disease or its symptoms.

**Medicare:** A federal health insurance program that covers almost all Americans age 65 and older, and certain individuals under 65 years of age who are disabled or have chronic kidney disease.

**Member:** A Medicaid client who enrolls in the managed care organization (MCO) under the provisions of the managed care contract between the Department of Health and Social Services and Highmark Health Options.

**Member Advocate:** A professional who can help you, your provider, and your care coordinator obtain care, schedule appointments, and file grievances and appeals.

**Member Handbook:** This handbook, which tells you how Highmark Health Options works. If you do not understand some parts of this handbook, call Member Services at 1-844-325-6251. You can access the Member Handbook online or request a printed copy.

**Mental (behavioral) health:** A term used to describe nervous or psychiatric problems, including mental, relationship, emotional, and behavioral problems.

**ModivCare:** Provides transportation for eligible members for medical services when it's not an emergency.

**Network:** The providers that your plan has contracted with to provide health care services.

**Nonparticipating provider:** A provider who does not have a contract with your plan to provide services to you.

**Notary public:** A person legally empowered to witness and authenticate documents, administer oaths, take affidavits and depositions, and engage in other activities established by local law.

**Obstetrician-gynecologist (OB-GYN):** A doctor who specializes in women's reproductive health.

**Out-of-network provider:** A provider who does not have a contract with your plan to provide services to you. Also known as a nonparticipating provider.

**Outpatient care:** Care you get when you do not have to stay overnight in a hospital or other place of treatment.

**Out-of-state coverage:** Your plan covers you anywhere in the U.S. Your plan does not cover you for any services provided outside the U.S.

**Participating provider:** A provider who has a contract with your plan to provide health care services to you.

**Physician services:** Health care services that a licensed medical doctor provides or plans for you.

**Plan:** A benefit the State of Delaware provides to you to pay for your health care services. A plan can also be called a managed care organization (MCO) or accountable care organization (ACO).

**Preauthorization:** An approval from your plan for a health care service.

**Preferred drug list (PDL):** A list of drugs selected by a pharmacy committee and deemed to be safe and effective, and to have a good value when prescribed.

**Prescription:** A doctor's order for a drug or device for the doctor's patient.

**Prescription drugs:** Drugs and medications that, by law, require a prescription.

**Prescription drug coverage:** The part of your plan that helps pay for prescription drugs and medications.

**Primary care physician (PCP):** A doctor who directly provides or plans your health care services.

**Primary care provider:** A doctor, nurse, or physician assistant who provides, plans, or helps you access health care services.

**Prior authorization:** The approval you get from us before you get a medication or service.

**Promoting Optimal Mental Health for Individuals through Supports and Empowerment (PROMISE):** Program for members with behavioral health needs that is overseen by the Division of Substance Abuse and Mental Health (DSAMH).

**Protected health information (PHI):** Personal health information that is transmitted by electronic media, maintained in electronic media, or transmitted or maintained in any other form or medium.

**Provider:** A health care professional, facility, or medical business that offers health care services.

**Quantity:** An amount or number.

**Quantity limit:** Limiting the coverage of a drug to a certain amount (for example, 30 pills a month) so medications are prescribed safely and correctly.

**Rehabilitation devices:** Health care devices that help you keep, get back, or improve daily living skills and functioning that have been lost or impaired because you were sick, hurt, or disabled.

**Rehabilitation services:** Health care services that help you keep, get back, or improve daily living skills and functioning that have been lost or impaired because you were sick, hurt, or disabled.

**Resource Coordinator:** A nonclinical staff member who assists you with discharge planning following an acute inpatient stay, appointment setting, referrals, links to services, coordination of care, and access to wellness programs.

**Skilled nursing care:** Health care services from licensed nurses in your home or a nursing home.

**Specialist:** A doctor who has special training for a specific condition or illness.

**Specialist care:** Health care provided by a doctor who has special training for a specific condition or illness.

**Sterilization:** A medical method of birth control that permanently prevents pregnancy and leaves a person unable to reproduce. Methods can be surgical or nonsurgical and exist for both males and females.

**Supplemental formulary list:** A list of drugs that are not on the drug formulary but may be covered by the plan.

**Technology:** The use of scientific knowledge for practical purposes or applications. Medical technologies are products, services, or solutions used to save and improve people's lives.

**Technology dependent:** An individual who has a chronic disability that requires the routine use of specific medical equipment to compensate for the loss of a life-sustaining body function and requires daily, ongoing care or monitoring by trained personnel.

**Telecommunication relay service (TTY):** A special device that lets people who are deaf, hard of hearing, or speech-impaired use the phone and communicate by typing messages back and forth to one another instead of talking and listening.

**Third-party liability:** In general, any type of insurance that is responsible for paying all or part of the costs for health care services.

**Transfer:** A member's change from enrollment in one managed care organization to another.

**Urgent care:** When you need care or medical treatment within 48 hours.

**Urgent care center:** A walk-in clinic focused on the delivery of medical care for minor illnesses and injuries in a walk-in medical facility outside of a traditional hospital-based or freestanding emergency department. Urgent care centers offer a wide range of care.

**Urgent medical condition:** Not an emergency, but a condition that should have medical care within 48 hours.

**Utilization management (UM):** A system for reviewing the proper and effective health care services that are provided, or proposed to be provided, to a member.

**Women, Infant, and Children (WIC):** The Special Supplemental Nutrition Program for Women, Infant, and Children is a federal nutrition program that helps pregnant women, new mothers, and young children eat well, learn about nutrition, and stay healthy.

**Workers' compensation:** A type of business insurance that provides benefits to employees who suffer work-related injuries or illnesses.

# Discrimination is against the law.

Highmark Health Options complies with applicable federal civil rights laws and regulations, and does not discriminate on the basis of race, color, national origin, age, disability, health status, sex, sexual orientation, or gender identity. Highmark Health Options does not exclude people or treat them differently because of race, color, national origin, age, disability, health status, sex, sexual orientation, or gender identity.

You can file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at [ocrportal.hhs.gov/ocr/smartscreen/main.jsf](https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf), or by mail or phone at:
