An Introduction to the Directory

Welcome to the Highmark Health Options Home Based Long Term Services and Supports Provider Directory!

Please use this directory to find Highmark Health Options Providers that offer long-term services and supports in your home. Use the Table of Contents to find the county in which you live, and then look for the specialty services needed. Specialties are sorted alphabetically.

Go to the page noted for your county and specialty to locate a list of providers who can travel to your home. If you are looking for a specialty provider or facility that provides services outside of the home, please visit our Highmark Health Options Provider Directory <http://healthoptions.prismisp.com/>

The information listed in this directory and the Highmark Health Options online provider directory is obtained from providers and is subject to change.

The provider network may change at any time.

If you have any questions regarding professional qualifications and/or status of a particular provider, please contact Health Options at:
