

Having a baby? You're invited.

Join us for free childbirth and breastfeeding classes. Sign up for one class or both. These classes are part of your Highmark Health Options benefits. Pizza and salad will be served. Masks are not required.

Childbirth Class

March 8, 5:30 to 7:30 p.m.

Join this class to learn what to expect during pregnancy and childbirth and after your baby is born. This class will help you understand new terms and how to talk with your health care providers. It will give you the chance to ask questions so you will be informed and feel confident during this time of change.

Lactation (Breastfeeding) Class

March 22, 5:30 to 7:30 p.m.

This class is all about breastfeeding. If you're thinking about breastfeeding your baby, join us to get the facts. Avoid the myths. Learn why and how to breastfeed. Ask questions. And leave with the answers and support you need.

Classes are taught by Erica Allen, LPN, and Amber Twyne, who are both certified Community Outreach Perinatal Educators (COPE) and doulas from your community.
