

PROVIDER UPDATE

COVID-19 Prescription and Durable Medical Equipment Guidelines

The following are updates to the temporary provisions that are in effect as of dates specified below as part of COVID-19 pandemic response.

Prescription Early Refills

Effective May 1, 2021, Highmark Health Options (HHO) will reinstate our early refills for medications to allow for early refill for medications once 83% of the previous fill for the medication has lapsed based on the day supply.

Prescription Co-Pays

HHO will continue to waive member co-pays for prescriptions until otherwise notified.

Durable Medical Equipment Refills

Effective Dec. 1, 2021, HHO will no longer permit a 30-day early refill for the following medical supplies. Existing authorization requirements and annual limitations for these codes remain in place.
