

Claim Payments & Remittances (CPR) Payer Resource Center

User Guide
2.9 rev2B - PNC (2023-1)

Introduction

Welcome to **PNC Healthcare's CPR Payer Resource Center User Guide**.

This Guide contains information we hope will help you in using the CPR Payer Resource Center.

The CPR Payer Resource Center is intended to make the Customer Service function easier for you. Designed as a “one-stop shop” to address most Customer Service calls, the Payer Resource Center enables you to view important information, to generate useful and detailed reports, and to export information into an electronic file.

PNC Healthcare offers optional enhanced Payers Resource Center features. These include: a) the capability for employer groups to access the accounting and image retrieval capabilities of the PNC Healthcare payment process, b) the **Reconciliation Link** that gives detailed data about payment settlement, and c) the PNC Healthcare **835 Score Card**, a tool that provides statistics about the quality of your 835 file and crosswalk data.

The CPR Payment Resource Center can be searched, viewed and exported into commonly used electronic file formats. As the PNC Healthcare Payers Resource Center user, you decide on the type and level of detail you need.

As you read through this document, please feel free to contact PNC Healthcare if you need additional information or have suggestions on how we can improve this Guide to better meet your needs. We value your input!

**If you need more information, please
contact PNC Healthcare or the Payer's Customer Service Team**

Logging In

First-time Login

The password you received from CPR is temporary – for your first-time login only. After your successful initial login, you will be prompted to change your password. Rules for changing passwords can be found in the “Password Rules” information at the bottom of this page.

To log in, enter into your browser: <https://ui.echohealthinc.com/pnc.aspx>. Input your **User ID** and **Password** (*screenshot below*.) If you forget your password, click on the link, **Email My Password**. If you experience any problems, please contact Customer Service (833.629.9725).

The screenshot shows the login interface for the PNC Healthcare Payer Resource Center. At the top left is the PNC Healthcare logo. The main heading is "Claim Payments & Remittances (CPR) PAYER RESOURCE CENTER". Below this, there are two input fields: "User ID" containing "echoadmin" and "Password" with masked characters. A "LOGIN" button is positioned below the password field, and a link "Email My Password" is to its right.

Password Rules

- » Must contain **at least** 16 characters
- » Must contain upper **and** lower-case letters
- » Must contain **at least** one number
- » Must have **at least** one special character (*example: !, @, #, \$, %, ^, &, **)
- » Cannot contain the user’s account name (*example: If username is “John.Doe@ABC.com,” your password **cannot** contain “John” or “Doe”*)
- » You cannot change your password more than one time in a 24-hour period
- » You cannot re-use a password that you have already used

Note:

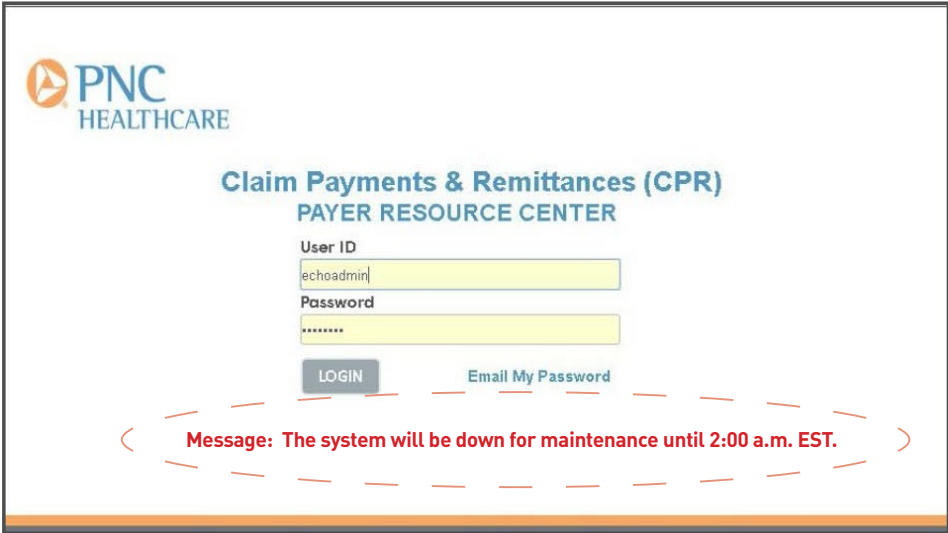

Passwords expire after 120 days. When your password expires, you will be prompted at your next login attempt to create a new password. You cannot re-use a password that you have already used for the Payer Resource Center.

Your account will lock after five (5) failed login attempts. Your account will automatically unlock after 30 minutes. (*Note: If you need immediate access to your account, please contact Customer Service.*)

[\[Click here to return to Table of Contents\]](#)

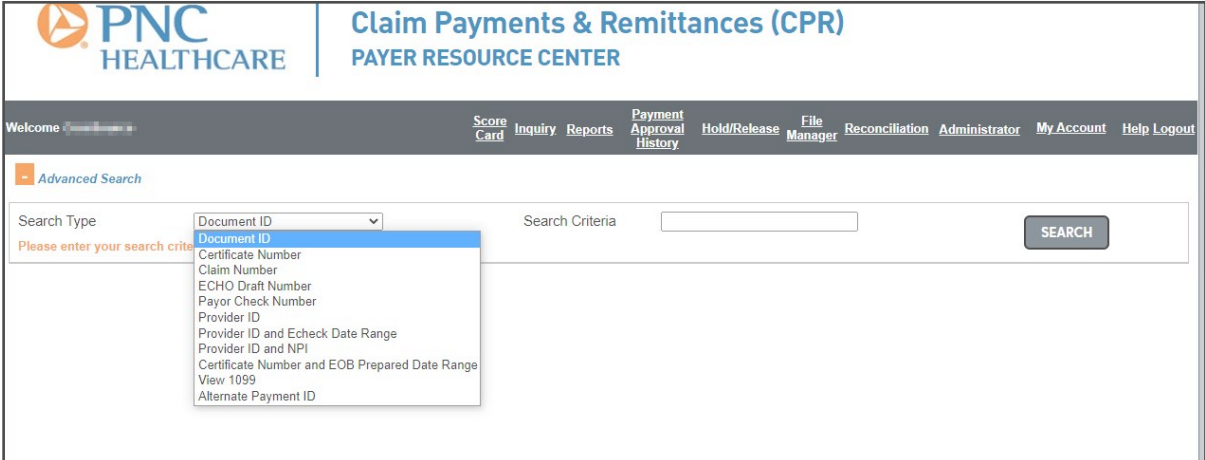

System Access and Messages

If the system is unavailable, a message will be displayed on the login screen.

Inquiry (Home) Page

The Inquiry page appears with successful log in (see screenshot below).

[\[Click here to return to Table of Contents\]](#)

The **Search Type** drop-down list displays the options you can use to search for payment documents. These options are described in the list below:

- » **Document ID:** Certain adjudication systems support a secondary claim number and can be used as a searchable field
- » **Certificate Number:** The member ID or social security number of the insured
- » **Claim Number:** Number generated by the adjudication system to identify the rendered services
- » **ECHO Draft Number:** Number assigned by ECHO for a consolidated payment to member or provider
- » **Payor Check Number:** Check number assigned by the adjudication system
- » **Provider ID:** Tax Identification Number (TIN) for the provider being paid
- » **Provider ID and Echeck Date Range:** Allows search by both Provider ID and Echeck dates
- » **Provider ID and NPI:** Allows search by Provider ID, NPI and optional date range
- » **Certificate Number and EOB Prepared Date Range:** Allows search by both Certificate Number and EOB Prepared Date: Date Range is displayed when this option is selected.
- » **View 1099:** Allows search for 1099 for your TPA by TIN
- » **Alternate Payment ID:** Allows search by OPTUM or ELAVON payment IDs

Click on the **Search Type** drop-down list option you want and make the required selections and/or enter information in the boxes. For the *most popular Search Type* options, detailed instructions are provided in this section.

An important status distinction is made between “Imported” and “Produced” claims. Often, there is a period of time between when the claim data is sent to CPR and the scheduled payment (production) date. For claims that have not been “produced” (*i.e., fully processed, released*), CPR assigns the status of Imported – you can view these claims under the heading of **Imported Claims**.

Imported Claims will have fewer viewing options versus claims that are **Produced** (*see the screenshot below*). All viewable document links will be underlined.

The screenshot displays the PNC Healthcare CPR Payer Resource Center interface. At the top, the PNC Healthcare logo is on the left, and the title 'Claim Payments & Remittances (CPR) PAYER RESOURCE CENTER' is on the right. Below the header is a navigation menu with links: Welcome PNC Testing, Score Card, Inquiry, Reports, Reconciliation, Administrator, Change Password, Help, and Logout. The main content area features an 'Advanced Search' section with a search type dropdown set to 'Document ID' and a search criteria input field. Below this is a section for 'Imported Claims' with a filtered search input. A table of claim data is shown with the following columns: Claim Number, Insured, Patient, Certificate No., Group ID, Provider Name, Payee Name, Amt Paid, Check No, EOD, and OD. The table contains one row with a value of \$0.00 in the Amt Paid column. The EOD column contains the text 'EOD' and the OD column contains 'OD'. At the bottom of the table, there are navigation controls: 'Rows per page: 100', and buttons for 'First', 'Prev', '1', 'Next', and 'Last'.

[\[Click here to return to Table of Contents\]](#)

Search Type: ECHO Draft Number

Referring to the screenshot below, in the **Search Type** drop-down list click on **ECHO Draft Number**. In the **Search Criteria** box, enter an **ECHO Draft Number** and click the **Search** button on the right of the screen. Links to documents associated with the **ECHO Draft Number** you entered appear on the right of the screen (**EOB, EOD, EPP, Draft, OD, 835 and Payment Details**). Note: Links that can be viewed will be underlined. Depending on the status of the **ECHO Draft Number**, different links will be available to view.

 ADHL THIS CLAIM HAS BEEN SPLIT FOR PROCESSING.

Right to Appeal: You, your beneficiary, or a duly authorized representative have 180 days to appeal an adverse benefit determination. No requests for review will be considered after the expiration of such 180 day period. A full and fair claim review will be made within 60 days of receipt of appeal of a post-service claim with no deference to the initial determination. Your summary plan description provides complete details on how to file an appeal. You may bring civil action under §3502(a) of ERISA for an adverse benefit determination.

Payment Details

ECHO Draft #	Type	Payment Date	Payee	Address	Status	Status Date	Remarks	Activity By	Draft
	VCard	02/17/2016			Clear	03/02/2016			Draft
	VCard Mailed on: 2016-02-18	02/17/2016			VCard paid	03/01/2016	Reissued by Administrator on 03/01/2016 to Virtual Card Payment. Draft voided on 03/01/2016 and reissued on draft number <input type="text"/>	Administrator	Draft

Rows per page: |

Descriptions for **Payment Details** fields are listed below:

- » **ECHO Draft #:** Displays the current and any historical draft numbers associated with the payment
- » **Type:** Displays the payment method; includes fax or mail information if the payment type is VCard
- » **Payment Date:** Draft date
- » **Address:** Pay-to address
- » **Status:** Displays the status of the payment as **Clear** (paid), **Reissue**, **Void** or **Blank** if payment is outstanding
- » **Status Date:** The date of payment status; same date as seen on **Draft Settlement** image
- » **Remarks:** System-generated or user-added comments; includes notation if the payment is a pre-production void or if there is an IRS lien
- » **Activity By:** User name, if applicable, for draft history
- » **Draft:** Link to historical **Draft Settlement** image

[\[Click here to return to Table of Contents\]](#)

Sample VCard Paid Details

Click on the **VCard Paid** link to view virtual card activity for the specific draft. A new pop-out window will open to display high-level virtual card activity details.

VCard Paid details showing a card with a remaining \$100 balance are shown in the example below:

VCard Payment details are as follows:				
Draft Number	Total Card Amount	Card Authorizations	Card Reversals	Card Balance Remaining
	\$926.53	\$826.53	\$0.00	\$100.00

Please enter your search criteria

VCard Paid details showing a card that expired with a balance of \$660 after being run is shown below. Once expired, a Virtual Card check was issued for the full amount and sent to the Provider.

VCard Payment details are as follows:											
Draft Number	Total Card Amount	Card Authorizations	Card Reversals	Card Balance Remaining	VCP Check Issued?	Check Number	Check Amount	Check issued to	Check issued Date	Check Status	Check Cleared Date
	\$660.00	\$660.00	\$660.00	\$0.00	Yes		\$660.00	Provider as balance	01/10/2022	Cleared	02/18/2022

Claim Number	Insured	Patient	Certificate No	Group ID	Provider Name	Payee Name	Amt Paid	Check No	ECHO Draft	EOB Prepared	EOB	EOD	EPP	Draft	OD	835	Payment Details
							\$110.00				EOB	EOD	EPP	Draft	OD	835	Details

Filtered Search:

ECHO Draft #	Type	Payment Date	Payee	Address	Status	Status Date	Remarks	Activity By	Draft
	VCard	09/17/2021			Clear	10/07/2021			Draft
	VCard Faxed to: XXX-XXX-3249 on: 09/18/2021	09/17/2021			VCard paid	10/06/2021	Card Activated on 10/06/2021. Draft recorded on 10/07/2021 as settled Virtual Card Payment on draft number	Administrator	Draft

Descriptions for **Virtual Card Activity** fields are listed below:

- » **Draft Number:** The original draft number for the payment
- » **Total Card Amount:** The original total payment amount
- » **Card Authorizations:** Total of all debits processed to the virtual card
- » **Card Reversals:** Total of all credits processed to the virtual card
- » **Card Remaining Balance:** Total balance left on the virtual card
- » **VCP Check Issued:** If “Yes,” a check has been issued to the Provider or Payer for the balance of the card
- » **Check Number:** If a check for the balance has been issued, this is the check number
- » **Check Amount:** Total amount of the check issued for virtual card balance
- » **Check Issued to:** Indicates if the check was issued to the Provider or the Payer
- » **Check Issued Date:** Date of issuance for Virtual Card Balance check
- » **Check Status:** Will indicate if the Virtual Card Balance check is outstanding, voided or cleared
- » **Check Cleared Date:** If cleared, the date will be present here. The link will display the Virtual Card Balance check and EPP, if available

It is possible that more than one check for the Virtual Card Balance can be generated in cases where: a) the first check expires, b) the check needs to be sent partially to the Payer and partially to the Provider, or c) the check needs to be re-issued for any reason.

[\[Click here to return to Table of Contents\]](#)

Search Type: Provider ID and Echeck Date Range

On the **Inquiry Page**, click on the **Provider ID and Echeck Date Range** item in the **Search Type** drop-down menu. The screen below will appear. Enter the **Echeck date From** by clicking the calendar icon (to the right of the date entry box) and selecting the date. Enter the **Echeck date To** by clicking the calendar icon (to the right of the date entry box) and selecting the date. Enter the **Search Criteria (Tax ID/Provider ID)**.

The screenshot shows the PNC Healthcare CPR Payer Resource Center interface. The search type is set to "Provider ID and Echeck Date Range". The "Echeck Date From" is set to 01-01-2016 and the "Echeck Date To" is set to 02-03-2016. The search criteria field is labeled "Enter Provider ID Here".

Search Type: Certificate Number and EOB Prepared Date Range

On the **Inquiry Page**, click on the **Certificate Number and EOB Prepared Date Range** item in the **Search Type** drop-down menu (see screenshot below). Enter the **EOB date From** by clicking the calendar icon (to the right of the date entry box) and selecting the date. Enter the **EOB date To** by clicking the calendar icon (to the right of the date entry box) and selecting the date. Enter the **Search Criteria (Certificate Number)**.

The screenshot shows the PNC Healthcare CPR Payer Resource Center interface. The search type is set to "Certificate Number and EOB Prepared Date Range". The "EOB Date From" is set to 01-01-2016 and the "EOB Date To" is set to 03-31-2016. The search criteria field is labeled "Enter Certificate Number Here".

Search Type: View 1099

To view a 1099 for a specific TIN and year, select **View 1099** from the **Search Type** drop-down, choose the year from the **Year** drop-down, enter the Federal Tax ID number in the **TIN** box and click **View 1099** to the right of the blue arrow (see screenshot below).

The screenshot shows the PNC Healthcare CPR Payer Resource Center interface. The search type is set to "View 1099". The year is set to 2015. The search criteria field is labeled "Enter Tax ID Here". Below the search form, there is a table with the following data:

Payment Year	Payer TIN	Payer Name	Payment Amount	Tax Withheld	Payer Street	Payer City	Payer State	Payer ZIP	Payer Phone	Link to 1099
2015			\$157,444.57	\$0.00						View

File Manager

File Manager is available for users to view the status of imported files and files that imported and were later removed from CPR.

Soon, **File Manager** will include a *link to PDF of Import Acknowledgment for each file for review.*

The screenshot shows the PNC HealthCare Claim Payments & Remittances (CPR) Payer Resource Center interface. The navigation menu includes links for Score Card, Inquiry, Reports, Payment Approval History, Hold/Release, File Manager (highlighted with a red dotted line), Reconciliation, Administrator, Change Password, and Help Logout. The File Manager section is active, showing an Advanced Search form with fields for File Name, Status, From Date, Thru Date, and Batch ID. Below the search form are buttons for SEARCH, EXPORT TO EXCEL, and EXPORT TO XML. The search results table has the following data:

File Name	Import Date	Batch ID	Provider Payment Amount	Employee Payment Amount	Total Payment	No of checks	Status
ECHO_OCOM [redacted]	12/18/2018	33321	\$4 [redacted]	\$0.00	\$4 [redacted]	449	Imported with Error

Searching in File Manager

- » To search for a file's import details, enter the **File Name** and click search.
- » To search for all files imported, leave the **File Name** field blank and search by entering the **From Date** and **Through Date**.
- » The default search is set to display the last single week of import data.
- » Search results can be sorted by any column by clicking on the column header.
- » Search results can be exported to EXCEL or XML.

File Information Provided

For each file, File Manger will indicate the following:

- » **File Name:** This is the name of the file that was imported to CPR
- » **Status:** One of four options shown below –
 - Importing** – This status indicates that the file is currently importing into CPR
 - Imported** – The file imported successfully
 - Imported with Error** – Indicates that the file imported successfully, but with import errors that require attention before the file can be approved for processing
 - Imported with Error and Reversed** – This status indicates that the file imported successfully with import errors and was reversed from the system; these files are no longer available in the Payer Control Portal.
- » **Import Date:** Date that the import completed
- » **Batch ID:** File import batch indicator – will match the **Batch ID** on the corresponding Import Acknowledgment
- » **Provider Payment Amount:** Total dollar amount for all provider payments included in the file
- » **Employee Payment Amount:** Total dollar amount for all employee payments included in the file
- » **Total Payment Amount:** Total dollar amount of all payments included in the file
- » **Number of Checks:** Total number of checks included in the file

Searching in Hold/Release

- To search for a file's **Hold/Release** details, enter the file name and click search.
- To search for specific checks or claims, enter the check or claim number, or both. Leave the * criteria to return a check number for all associated claims or a claim number and all associated checks.

Hold/Release Information

For each **Hold/Release** record, the search will display the following:

- » **Group ID:** This is the group number belonging to the claim
- » **Claim Number:** The payer's claim number for the record
- » **Check Number:** The payer's check number for the record, if applicable
- » **File ID:** This is the name of the file that was imported to CPR
- » **Action:** Indicates if a record was a **Hold** action or a **Release** action
- » **Hold Release Date:** Date of the action
- » **Process:** This will indicate if the action was taken on import, while the file was in the Payer Control Portal, or post-production (*in the case of Stoploss payments*)
- » **Operator:** Shows if the action was taken by the system or by an individual user
- » **Level:** Indicates if the action was on an individual check, group, or entire file
- » **Reason Code:** Displays the reason specified at the time of the **Hold** or **Release**, if applicable

Payment Approval History

Payment Approval History is available for users to search for submitted payment approvals information.

The screenshot shows the PNC Healthcare Payer Resource Center interface. At the top left is the PNC Healthcare logo. To its right is the text 'Claim Payments & Remittances (CPR) PAYER RESOURCE CENTER'. Below this is a navigation bar with links: 'Score Card', 'Inquiry', 'Reports', 'Payment Approval History' (circled in yellow), 'Void/Release', 'File Manager', 'Reconciliation', 'Administrator', 'Change Password', and 'Help Logout'. Below the navigation bar is a search section titled 'Advanced Search' with a 'Refresh' button. The search section contains 'From Date' (3/8/2019), 'Thru Date' (3/15/2019), and 'Results Per Page' (50). Below these are buttons for 'SEARCH', 'EXPORT TO EXCEL', and 'EXPORT TO XML'. At the bottom of the search section are three tabs: 'Approved Payment', 'Direct Print Payment', and 'Stop Loss Payment'.

Searching in Payment Approval History

- To search for payment approval records, enter a date range and click **Search**.
- The default search is set for the last week of payment approval history. Search results can be sorted by a column by clicking on a column header.

Search Information Displayed

For each payment approval record search, the following information will be displayed:

- » **Approval Cycle Number:** Each payment approval is assigned a number that corresponds to the batch number indicated on your payment approval email confirmation
- » **Date Closed:** The date of payment approval
- » **Approved Payments:** Total dollar amount of the payment approval cycle
- » **Pre-production Voids:** Total amount of payments voided prior to the payment approval
- » **Provider Payments:** Total dollar amount of provider payments included in the payment approval
- » **Provider Checks:** Total count of provider checks included in the payment approval
- » **Member Payments:** Total dollar amount of member payments included in the payment approval
- » **Member Checks:** Total count of member payments included in the payment approval
- » **Payment Date:** Date of payment approval
- » **Approved By:** Indicates the user or system submitting the payment approval
- » **Approval Type:** Indicates whether approval is full (**FullApproval**) or
- » **Status Action:** Indicates if the action was an **Approval** or an **Approval Reversal**

Direct Print Payment History

Direct Print Payment History is available in this application on a separate tab.

Stop Loss Payment History

Stop Loss Payment History is available in this application on a separate tab.

Reports Page

Useful reports can be created to view important details related to payments. Eight report options are available, with a brief description of each given in the list below. Information from each report can be sorted by clicking on the column heading.

ECHO Draft Issued Report – Allows you to view the total number and amount of drafts issued based on your search criteria. Narrow the information by date range (ECHO draft issue date) by entering the From Date and Thru Date, by Group and by Tax ID (Tax ID Number, or TIN). The report returns your check number (Check No), ECHO draft number (Draft No), Payee, date Issued (your check date), Amount (of your payer check), date Cleared, Fund Date, and the Payee TIN of each draft. Clicking the ECHO Draft No allows you to view the draft status information.

Audit Report – For complete reconciliation, leave the date range and group information blank to see a snapshot of your total funding with CPR. If you don't require a full audit, you can view items Issued, Voided, Outstanding and Cleared by refined search criteria. Narrow data by Group, Tax ID and Date. The date range is based on your payer check date.

Check Cleared Report – View checks that have settled within a certain date range (cleared date of draft). This can be narrowed by Date, Group and Tax ID.

Check Issued Report – View the total number and amount of checks Issued, Cleared, Voided and Outstanding based on your search criteria. Narrow viewed information by date range (your payer check date), Group and Tax ID. The report returns your check number (Check No), ECHO draft number (Draft No), Payee, date Issued (your check date), Amount (of your payer check), date cleared, Fund Date and the Payee TIN of each draft.

Outstanding Check Report – Running this report without any specific criteria returns the total number of checks and amount of outstanding items. Refine the search by entering a Thru Date, Group or Tax ID. This will search for outstanding checks with your check date less than the date entered.

Void Check Report – List the total number of voided checks and the amount of the voids. Refine further by Group, date Voided or Tax ID. Clicking on the ECHO draft link brings up the draft status page with the reason for the void.

Expired Drafts Report – See all drafts that have expired by entering the current date in the Thru Date field, or refine by a specific date range, Group or Tax ID. This report will also display **Payee Address**. Drafts expire 180 days after the draft issue date unless otherwise requested by your organization.

Expiring Drafts Report – Enter a future date in the Thru Date field to see what drafts are nearing expiration. This will return all drafts that will expire between the current date and the date you entered.

Pre-production Voids Report – Run this new report by date range and for specific groups (or all groups) to see exactly what was voided prior to any production or funding event.

Imported Payments Not Produced Report – View payments that have been imported, but not yet produced.

[\[Click here to return to Table of Contents\]](#)

Click the **Reports** link in the menu bar near the top of the Inquiry page to open the Reports page shown in the screenshot below. From **Inquiry Type** drop-down, select the report you wish to view.

Field Descriptions are shown below:

- Created Date** = Current date report is created
- Effective Date** = Effective date of the ACH (Automated Clearing House) debit
- Funded** = Amount of the ACH debit
- Debit Rejects** = The only value displayed in this column is "0"
- Acct From** = Last four digits of account ACH debit taken from
- Acct To** = Last four digits of account ACH debit put into
- GetID** = ACH staging RID (Row Identifier) that uniquely identifies the ACH debit pull; Claim Number is included in **Get ID** details
- Voids** = Any claims/payments from this ACH debit that have been presented as a check
- Checks Cleared** = Any claims/payments from this ACH debit that have been presented as a check
- EFT Cleared** = Any claims/payments from this ACH debit that have been presented as an ACH (Optum or Direct ACH)
- Card Cleared** = Any claims/payments from this ACH debit that have been authorized and presented via a card
- Total Processed** = Summation of Checks Cleared, EFT Cleared, Card Cleared and Voids
- Outstanding** = Total payment left on ACH debit pull to be cleared (not yet cashed)
- Not Produced** = Dollars from an ACH debit pull waiting to be produced/consolidated
- Credit Rejects** = See Debit Rejects
- Difference** = Should always be "0"

PNC Healthcare 835 Score Card (this feature requires activation)

Background

The 835 Score Card details the quality of your 835 and crosswalk data. Data began feeding all aspects of the Score Card on 01/20/2014 (some incomplete data were captured prior to this date).

The CPR or TPA administrator enables your viewing by setting the **VIEW SCORE CARD** to **Yes** or **No** on the user setup screen. The ability to manage your crosswalk is set up by your Payer Resource Center administrator. If you are set up to view the 835 Score Card, its link is displayed at the top of your PNC Healthcare menu. There are five viewing options illustrated below: **Score Card**, **Failure Details**, **Dashboard**, **Code Lookup** and **Manage Crosswalk**.

Score Card Information

Clicking the **SCORE CARD** link (previous screenshot) allows you to see the success rate of 835 files by different criteria for a selected date range (screenshot below) Click the **EXPORT TO PDF** link to create a PDF with the results.

[\[Click here to return to Table of Contents\]](#)

Failure Details

This feature (screenshot below) allows the user to search for the number of 835 failures by date range. You can export the details of each failed file to either EXCEL or XML.

Failure Message Details:

From Date: 03-01-2016 Thru Date: 03-04-2016

Failure Message	File Count
Invalid HC procedure code in SVC segment	16739
Invalid RARC Code	7141
LQ segment does not exist for a mandatory CARC	265
Mandatory RARC in LQ segment does not exist for CARC	23
N3 payer segment not present	2069
N3 payer segment repeated	19
N4 payer segment not present	2091
N4 payer segment repeated	27
PER BL Count is less than 1	1783
REF Payer segment reference ID qualifier is invalid	3912
REF payer segment repeated more than 4 times	219
Transaction Level Balancing is Failed	1
Expired RARC in Crosswalk tables*	11
Invalid RARC in Crosswalk tables*	0
Expired CARC in Crosswalk tables*	1
Invalid CARC in Crosswalk tables*	0
Missing CORE-required CARC and RARC code combination in Crosswalk tables*	121
Invalid CARC and CAGC code combination in Crosswalk tables*	399

* Failure Message in Crosswalk tables above are not dependent on the date range.

Glossary of Terms

835. Refers to a payment remittance that has been issued in ANSI835 format for automated posting.

ACH (Automated Clearing House). A system of the US Federal Reserve Bank that provides electronic funds transfer (EFT) between banks.

Certificate Number. A number used to identify a particular plan member or patient in a TPA or Insurance Company's records.

Check. A paper negotiable instrument payable upon demand to transfer funds from the payer to the payee.

Check Number. A number assigned to identify an individual check or checking account transaction.

Check Register. A record of all deposits and withdrawals from a given checking account.

Claim Number. A number used to identify a particular healthcare payment claim in a TPA or Insurance Company's records.

Draft. An instrument signed by a Drawer to a Drawee requesting payment at a future time to a third party.

ECHO Draft Number. The 9-digit number which identifies a payment issued by ECHO.

EOB (Explanation of Benefits). Written document provided to the insured and/or the insured's dependents by the insurance company/healthcare plan administrator explaining what has and has not been paid on a specific claim.

EOB Prepared Date. The date that the member's EOB was generated and sent by the CPR system.

EOD (EOB on Demand). When information for a claim has been imported into the CPR system, this link will generate an on-demand approximation of the member EOB that will be generated for a specific claim.

EPP (Explanation of Provider Payment). Similar to an EOB, the EPP is a written document giving the provider detail on what has or has not been paid by the TPA or insurance company for a specific claim.

Group ID. A number or code used to identify a particular employer.

Insured. The insured is the enrollee/subscriber in a healthcare plan.

Payee. The person or party to whom money is paid or due.

Payer. The party responsible for issuing a payment to a payee.

Provider ID. The healthcare provider's 9-digit federal Tax Identification Number (TIN).

TPA (Third-Party Administrator). An outside company that manages employee healthcare plans for other companies.
