ADJUSTMENTS TO IUD REIMBURSEMENT RATES

Highmark Blue Cross Blue Shield Delaware Health Options has revised the following allowable amounts for reimbursement for intrauterine devices (IUDs).

These rates were effective Jan. 2, 2016, so any denied codes listed below will automatically be reprocessed.

- J7298 Levonorgestrel-Releasing Intrauterine Contraceptive System, 52 mg, 5 Year
Duration \$787.81 (2016)
- J7297 Levonorgestrel-Releasing Intrauterine Contraceptive System, 52 mg, 3 Year
Duration \$607.50 (2016)

If you have any questions about the new reimbursement rates, please contact your Highmark Delaware Health Options Provider Relations Representative.
