Standard Meal - One per Day

Procedure Code	Service	Modifier	Unit of Service
S5170	Home-Delivered Meals, Including Preparation: Per Meal	-00 (Frozen)	1 meal, per day maximum
OR			
S5170	Home-Delivered Meals, Including Preparation: Per Meal	-U1 (Fresh)	1 meal, per day maximum

Emergency Meal

Procedure Code	Service	Modifier	Unit of Service
S5170	Home-Delivered Meals, Including Preparation: Per Meal	-00	Benefit limit based on length of emergency situation

Common Coding Scenarios

Meal Delivery Service is providing a standard meal:

- Report the service with either the -U1 modifier to indicate a fresh meal or the -00 modifier to indicate a frozen meal

Meal Delivery Service is providing an emergency meal:

- Report the service with the -00 modifier to indicate a frozen meal

Case Managers are required to get the standard meals and the emergency meals authorized.

The provider **MUST** bill the services on a day by day scenario. For example:

- During April 2019, 15 meals are delivered for 4/1/19-4/15/19
 - Bill one line item for 4/1/19-4/15/19 with 15 units

2. During April 2019, 30 regular meals and 3 emergency meals are delivered:
 - a. Bill one line item for 4/1/19-4/30/19 with 30 units for the regular meal
 - b. Bill one line item for 4/1/19-4/3/19 with 3 units for the emergency meal

3. During April 2019 the member is hospitalized from 4/6/19 through 4/10/19 and receives home delivery of meals for 25 days.
 - a. Bill one line item for 4/1/19 -4/5/19 with 5 units
