

PROVIDER UPDATE

Earn CME/CEU With a Highmark Professional Education Webinar

Topic: Demystifying Medicare Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS)

Nov. 14, 2023, Noon – 1 p.m.

In this webinar, attendees will learn about DMEPOS, the significance of proper medical record documentation, how to order glucose monitors and supplies, and how to identify potential fraud, waste, and abuse.

To attend, create an account at cme.ahn.org. Next, after creating your account, add the course to your learning plan: [Demystifying DMEPOS | Allegheny Health Network CME \(ahn.org\)](https://cme.ahn.org/courses/demystifying-dmepos).

Scan or visit hho.fyi/dmepos-webinar to save the webinar link to your calendar for quick access on Nov. 14.

Have questions? Contact your Provider Account Liaison.

Who qualifies for CME?

Webinars are free and open to all interested. CME/CEU credits are available for: physicians, midlevel practitioners, nurses, psychologists, and social workers. This webinar is eligible for one (1) CME/CEU credit. To receive credit, create a free account at cme.ahn.org. You only need to enroll once to be eligible to receive CME credit for attendance at live webinar activities. Instructions for claiming CME/CEU credit will be provided during the live webinar. You must also create a free account at cme.ahn.org to access your transcript.
