## HIGHMARK HEALTH OPTIONS PROVIDER FORUMS

### HEAR FROM EXPERTS, ASK QUESTIONS & SPEAK WITH OTHER HIGHMARK HEALTH OPTIONS PROVIDERS

Highmark Blue Cross Blue Shield Delaware (Highmark Delaware) now offers Medicaid benefits to Delawareans through Highmark Health Options. We know that navigating the complexities of a new program like Highmark Health Options can be challenging. With that in mind, we've planned several provider forums, which will offer you the opportunity to hear from the experts at Gateway Health, ask questions and speak with other Highmark Health Options providers.

These forums are different than the introductory workshops we held in December. New information is available, Gateway Health speakers will be presenting and there will be an in-depth Q&A segment. We strongly encourage you to send a representative from your office to one of these forums. Dates, times and locations are listed below.
