

# PROVIDER UPDATE

## **Methadone Reimbursement to Increase Effective March 1, 2022.**

Highmark Health Options will increase the reimbursement rate for **methadone maintenance code H0020** effective March 1, 2022.

For services provided on or after March 1, 2022, the standard reimbursement rate will be \$12 per day. Providers are encouraged to bill their usual and customary charges. If H0020 is billed with a rate lower than \$12, providers will receive the lower billed rate.

For additional information, call Provider Services at 1-844-325-6251, 8 a.m. to 5 p.m., Monday–Friday.

We appreciate your continued service to our members.
