PROVIDER UPDATE

An Update for Highmark Delaware Health Options Providers and Clinicians

2020 CPT Codes and Updates:

Highmark Health Options is in the process of updating the new and revised 2020 CPT/HCPC codes. We are working to have all updates completed by the end of March 2020. Once completed, we will reprocess and correct all affected claims.

We know the importance of getting these changes made. If you have questions regarding these updates please contact Provider Services at 844-325-6251 or your assigned Provider Relations Representative.

Highmark Health Options is an independent licensee of the Blue Cross and Blue Shield Association
