

Billing Change for Durable Medical Equipment Not Otherwise Classified (DME NOC) and Miscellaneous Codes to be Implemented

Effective June 30, 2021, Highmark Health Options will implement the following changes for use with DME NOC and Miscellaneous Code claims:

1. Paper invoice is no longer required.
2. Provider charge amount must be the MSRP value.
3. An updated billing guide will be provided.

Continue to include the description of item being billed.
