HIGHMARK HEALTH OPTIONS PROVIDER FORUMS – LTSS FOCUS

HEAR FROM EXPERTS, ASK QUESTIONS & SPEAK WITH OTHER HIGHMARK HEALTH OPTIONS PROVIDERS

Highmark Blue Cross Blue Shield Delaware (Highmark Delaware) offers Medicaid benefits to Delawareans through Highmark Health Options. We know that navigating the complexities of a program like Highmark Health Options can be challenging. We are focusing this forum on the LTSS – Long Term Services and Support providers. Some of the topics are:

1. **Achieving Health Equity for Delawareans with Disabilities-Eileen Sparling from the University of Delaware**
2. **Oral Health Initiative**
3. **Missed Visits for LTSS Clients**
4. **Role of Case Manager in Nursing Homes**
5. **Money Follows the Person (MFP)**

These forums are different from the introductory workshops we held in 2015. New information is available, Highmark Health Options speakers will be presenting, and there will be a Q&A segment. We strongly encourage you to send a representative from your office to one of these forums. Dates, times and locations are listed below.
