

NARCAN Highmark Health Options Formulary Announcement.

When prescribing naloxone for a Highmark Health Options member, write for the brand Narcan.

Brand Narcan is listed as the preferred agent on the 2023 Preferred Drug List (PDL) for the state as well as the Managed Care Organizations (MCOs).

Highmark Health Options follows the Delaware State PDL, which has been established by Division of Medicaid and Medical Assistance (DMMA). This PDL is a comprehensive list of medications that have been carefully selected based on their safety, efficacy, and cost-effectiveness, and are preferred for coverage by the MCOs in the state.

Scan the QR code or visit [PDL formulary](#) for more information.

If assistance with processing a claim is needed, please reach out to Highmark Health Options at: 1-844-325-6251.
