

PROVIDER UPDATE

Policy update: PA and APRN reimbursement policy.

Effective May 1, 2023, Highmark Health Options will allow participating Physician Assistants (PAs) and Advanced Practice Registered Nurses (APRNs) who are billing as full practice authority in the professional setting to be paid in alignment with the applicable fee schedule.

Providers do not need to resubmit previous claims due to this reversal and will be reimbursed according to the updated policy.

Review the updated reimbursement policy for Physician Assistants and Advanced Practice Registered Nurses at hho.fyi/pa-aprn or scan the QR code.

For more information, call Provider Services at 1-844-325-6251, Monday–Friday, 8 a.m.–5 p.m.
