Sept. 12, 2016

NEW REIMBURSEMENT RATES FOR LUCENTIS AND EYLEA, EFFECTIVE SEPT. 1, 2016

Effective Sept. 1, 2016, the following eye injection drugs will have an increase in fees:

Procedure Code	Drug Name	Dosage Unit	Reimbursement
J0178	Injection, aflibercept, 1 mg (Lucentis)	Per unit	\$925.00
J2778	Injection, ranibizumab, 0.1 mg (Eylea)	Per unit	\$360.95

Fees are based on the dosage units stated in the description for the code. The new fees are based on 100% ASP = Average Sales Price for Medicare Part B drugs.

If you have questions about how to submit authorizations electronically, please contact Highmark Health Options Provider Service at **1-844-325-6251**.
